Dear Fraser Families,

Today, the detention hearing was held at the federal court in Detroit regarding former Fraser Public Schools teacher Mr. Greg Austin and the allegations against him.

During the hearing, Mr. Austin elected to waive his right to be released. Per court protocol, no details regarding the investigation or the allegations against him were shared. Mr. Austin was detained and remains in custody.

Our District's Human Resources Director and I attended the hearing, and we also met with the United States Attorney's office in hopes of gaining additional insight regarding the investigation. Since the FBI is in the early stages of this investigation, they were not able to provide us with any details.

The District will continue to provide updates as information becomes available from the authorities. We will continue to remain focused on providing an exemplary education to all of our students.

Should students or parents have questions or have further information regarding this case, we would encourage them to contact FBI Agent Todd Reineck at (313) 965-2323.

Sincerely,

David M. Richards, Ph.D.
Superintendent
