

EAGLE HONORS TIME at Edison

Promoting Positive Behavior with
Monthly School-Wide Activities

We've added a new component to our School-Wide Positive Behavior Program- A monthly activity for students that consistently demonstrate positive behavior and a good work ethic.

Raising money to fund our activities.

- Staff members pay to wear jeans on Thursdays.
- Popcorn Fridays
- Upcoming Penny War- April 23-26
- Upcoming Candy Gram Sale- Late May

Scheduled Monthly Activities During School

- Our first event is during the afternoon of Monday, April 29th
- Students from each class that earned the activity will be scheduled to come to the gym to participate.
- We're usually going to keep the specific activity for Eagle Honors time a surprise for students.

Kids Do Need to EARN Their Way In Each Month

- Each grade level has concrete, measurable criteria that has been shared with students.
- Criteria is centered around behavior and work completion- never based on raw academic ability.
- Collectively, we wanted to make sure students who are coming here and doing the right thing, day in and day out, are recognized. We also wanted to provide an incentive for students who need it and respond to it!
- **Most students will NOT earn their way in every month - and THAT'S OKAY! They just need to reflect, change a thing or two, and work toward the next month! Parents, we NEED your support reinforcing this concept for this initiative to be successful and worthwhile!**
