- Calendar.
  - It defaults to today's date and different days can be selected using the arrows or the calendar picker.

• The View More link takes you to a weekly view of the calendar that can be modified to show the Daily, Weekly, or Monthly view.

- Allows you to see **Events** the teacher posts for your student's classes.
- Allows you to see Assignments that are due that day for your student's classes.
- Allows you to create (+ link) and see Personal Reminders for your students.
- Class Overview
  - Shows students full schedule and student's current grade in each section.
- Upcoming Assignments
  - Lists upcoming / future assignments in your student's courses.
  - View All will display all future assignments.
- Recent Assignments
  - Lists past assignments as well as students' scores if the assignments were scored.
  - View All will display all past assignments.
- Activity feed
  - Lists all posts from the teachers to the students.
  - View All will take you to a full page screen of the Activity Feed.
- Left Navigation icons
  - $\circ$  Communication
    - Full page view of Activity feed.
