

Salk Elementary PTO

The PTO is an organization of parents and school staff whose goal is to provide volunteer and financial support to Salk Elementary and also to maintain open communication between parents and staff. As a Salk parent, you are already a valued member of our PTO. We welcome and encourage your involvement in whatever way is best for you! Please “like” us on Facebook (Salk Elementary PTO Fraser, MI) and look for our meeting reminder e-mails. With a new school year comes new opportunities to make Salk the best it can be so please come and share your ideas.
