**EISENHOWER ELEMENTARY SCHOOL  
Annual Education Report (AER) Cover Letter**

February 10, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-23 educational progress for Eisenhower. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jennifer Kelley for assistance.

The AER is available for you to review electronically by visiting the following web site <https://tinyurl.com/2p9tmva3> or you may review a copy in the main office at your child's school.

For the 2022-23 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup in 2018-2019. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-2018. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-2017. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given any of these labels.

One of our key challenges at Eisenhower Elementary is making sure that all students receive the support and intervention needed for student success. Our school implements a school-wide Multi-Tiered System of Support (MTSS) for our students. The MTSS model assists our teachers in meeting the needs of every learner through benchmark, formative, and summative assessments and targeted intervention for all learners not meeting the annual measurable objectives. All of our students are setting individual goals in reading and math. ALL of this has been more difficult due to Covid-19.

*"A caring district — working together"*

State law requires that we also report additional information.

### 1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Fraser Public Schools and Eisenhower Elementary assign students to available roster slots within the district and school through the following district process:

- Fraser Public Schools residents living within the boundaries.
- Siblings of current Eisenhower students that apply during open enrollment periods.
- Fraser Public School residents living outside of the Eisenhower boundaries who apply for Internal Schools of Choice during open enrollment periods.
- County-wide Schools of Choice residents that live within Macomb County who apply during open enrollment periods.
- Each building is assigned Schools of Choice students based on classroom space, target numbers per grade level, and, if possible, honoring parents' school requests.

### 2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

During the 2021-2022 school year, Eisenhower continued to work on the following School Improvement Goals.

- Eisenhower Elementary students will become proficient in math.
- Eisenhower Elementary students will become proficient readers.
- Eisenhower Elementary students will become proficient writers.
- Eisenhower Elementary students will become proficient in science.
- Eisenhower Elementary students will become proficient in social studies.
- To improve school climate in the area of behavior.

Teachers administer common assessments three times per year in reading and math and then analyze student data to determine what interventions are needed. An end of the year math assessment is given district-wide to compare data. This is our ninth year of implementing a school-wide Multi-Tiered System of Support for our students. The MTSS model assists our teachers in meeting the needs of every learner.

### 3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

Eisenhower Elementary School is not considered a specialized school. We are a K-6 public school.

**4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE’S MODEL**

The State of Michigan defines the comprehensive core curriculum as the essential curriculum content that all students must learn in order to progress through the various educational levels. In the last two years, departments and K- 12 district committees have been engaged in reassessing and revamping the core curriculum to better align with the Common Core State Standards, NGSS, C3, and Michigan Content Expectations to design a Competency Based Learning Model. The core curriculum can be accessed at [http://www.michigan.gov/mde/0,4615,7-140-28753\\_64839\\_65510---.00.html](http://www.michigan.gov/mde/0,4615,7-140-28753_64839_65510---.00.html).

Time and effort have been spent to ensure that Eisenhower Elementary School’s curriculum will prepare students appropriately.

The results of this process are assessed through individual classroom and teacher assessment procedures as well as M-STEP, SRI, DRA, and FastBridge test results. Department and Curriculum Leaders have developed common tests that assess student learning. This type of data will allow teachers to analyze and improve any area of weakness discovered in student learning. Our continued goal for the 2022-23 school year is the continued implementation and expansion of targeted tiered interventions that will support our students in the area of reading and mathematics.

A copy of the comprehensive core curriculum can be obtained by contacting Dr. Sara Delgado, Director of Elementary Education.

**5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS**

End-of-Year Reading Local Data - Tier 1

<b>Grade</b>	<b>Measure</b>	<b>20-21</b>	<b>21-22 P &amp; A</b>
Kindergarten	FastBridge	N/A	35%
1st Grade	FastBridge	N/A	46%

5 <sup>th</sup> Grade	M-STEP Math	24.1 %	20%
6 <sup>th</sup> Grade	M-STEP Math	18.6 %	17.80%

*\*20-21 Local Data not available due to Covid-19 closure and irregularities. For this reason, 20-21 M-STEP Data is referenced above.*

**6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES**

During our fall 2020-2021 Parent Teacher Conferences, 86% of parents attended. These conferences were virtual due to Covid-19. Individual conferences are also held with parents throughout the course of the year as needed. Our 2021-2022 Fall conferences were student-led conferences and were attended by both the parents and the students. We had 85% in attendance for this conference.

In closing, Eisenhower Elementary has a positive school environment and staff dedicated to meeting the needs of our students. We continue to develop Competency- Based Learning strategies and staff members are immersed in Modern Teacher initiatives that focus on High Impact Teaching Strategies. These strategies are increasing rigor and improving achievement district-wide. We also continue to engage staff in Universal Design for Learning training to diminish barriers and help all students soar. We have adopted a SW-PBIS behavior model

based on our SOAR expectations to recognize students for positive choices and recently began to implement the Second Step social and emotional learning curriculum in all classrooms.

At Eisenhower we also celebrate the strength of our outreach programs, including our family Title I events and parent reading and math nights. We have extracurricular activities to engage learners, such as Student Council, SHOUT, Coding Club, Science Olympiad, Social Studies Olympiad, and Destination Imagination Club. We also have a strong PTO and encourage families to volunteer. We look forward to continuing these community building activities as soon as it is safe to do so.

Should you have any questions or concerns regarding our AER, please do not hesitate to reach out to me.

Sincerely,

Jennifer Kelley  
Principal  
Eisenhower Elementary
