Class Requirements, American Red Cross Program

Pre-School Classes – Ages: 6 months – 5 years

We believe that the sooner children become accustomed to the water and begin to develop not only water skills, but also social interaction skills, the easier it will be for them to enter into the higher Red Cross levels when they turn 6 years old. As always, please consult a supervisor if you are unsure of where to place your child.

- DUCKLINGS:** Age 6 months to 5 years; Parents are required to be in the water.
- JELLYFISH:** Age 3-5 years; Will willingly “swim” without parents in the water with them.
- GUPPY:** Age 3-5 years; Can swim with floatation on their front 30 feet and on back for 3 feet in shallow or deep water, safety skill with floatation.
- FLOUNDER:** Age 3-5 years; Can swim on stomach without help for 10 feet and on back for 5 feet, safety skill unaided.
- SEAHORSE:** Age 3-5 years; The same skills as electric eels.

Ages: 6 years and up

Fraser Aquatics follows the American Red Cross set of guidelines for swim lessons, which sets forth the skills each person must accomplish before continuing on to the next level, **regardless of age.**

The following is only a brief listing of the skills needed for each level.

TURTLE (Red Cross Level 1): Beginner level, requires assistance to swim in shallow or deep water on their front or back for 30 feet.

ELECTRIC EEL (Red Cross Level 2): Comfortable swimming in deep water for 30 feet, several times unaided on their stomach and back, safety skill unaided in deep end. (Prerequisite: Learn To Swim Level 1 “Turtle” card or supervisor approval.)

STINGRAY (Red Cross Level 3): Swims beginner’s stroke with rhythmic breathing and “birdie arms” on back with body horizontal and strong arms and legs for 15 yards. (Prerequisite: Learn To Swim Level 2 “Eel” card or supervisor approval.)

MANATEE (Red Cross Level 4): Swims front crawl with rotary breathing for 15 yards, back crawl for 15 yards, performs elementary backstroke for 15 yards, performs dolphin kick for 15 yards, performs a compact dive off the side, dives off the diving board, and comfortable swimming 25 yards. (Prerequisite: Learn To Swim Level 3 “Stingray” card or supervisor approval.)

MARLIN (Red Cross Level 5): Swims front crawl and back crawl with bent arm pull for 25 yards, performs elementary backstroke, breaststroke, and sidestroke properly for 15 yards, standing dive off the board. (Prerequisite: Learn To Swim Level 4 “Manatee” card or supervisor approval.)

BARRACUDA (Red Cross Level 6): Swims front crawl with bilateral breathing and back crawl for 50 yards with flip turns, can swim breaststroke, butterfly, elementary backstroke, and sidestroke for 25 yards. (Prerequisite: Learn To Swim Level 5 “Marlins” card or supervisor approval.)

EXIT BARRACUDA: (See pool office for more information)

- A. Personal Water Safety
- B. Fundamentals of Diving
- C. Fitness Swimmers
- D. Lifeguard Readiness

POOL NEWS

We would like to thank you for your patronage. Without your support this program would not be what it is today. Our goal is to provide equal opportunities for everyone to learn how to enjoy the water safely. In certain cases, we may be able to assist anyone who may be having a financial hardship; please speak to Melissa for more information. As always, if you have any concerns or questions please feel free to contact us or fill out the comments section at the bottom of the registration form and we will address each one.

From all of us at Fraser Aquatics, THANK YOU!

We've gone green. If you are interested in receiving the registration form via e-mail, please go online to our website. Under the tab that says "Blog and Info" you will find a box to submit your information to receive electronic information from us.

Check us out online at www.fraseraquatics.com or on FACEBOOK under Fraser Aquatics! You can get information about our pool program, learn more about each class level, see the current class schedule and print out our registration form. **Sorry, we are not able to accept payment on-line.**
