TRANSPORTATION

The district continuously reviews our safety and security measures, with this in mind we have enacted the new bus security software. RMS students will be asked to scan their Student ID when getting on and off the bus. This will allow us to make sure that students are riding the bus according to board policy. [CLICK HERE FOR TRANSPORTATION PAGE.](#)

Please be aware that if your student wishes to go home with a friend via a FPS bus, you must go onto the Fraser's Transportation website and put in a written request at least "24 hours in advance". Transportation form Please note that school of choice students are not eligible to ride a FPS bus.

OUTSIDE FOOD/BEVERAGES

Fraser Nutrition Services and ARAMARK have teamed up to provide your students with the fuel that they need to have a successful academic career here at Fraser Public Schools. To view current menus: [CLICK HERE](#)

The District does not allow the delivery of food and beverages from outside vendors or fast food establishments for a student's breakfast or lunch meal. All meals are to be provided by either our Food Service program or prepared at home and sent with your student. Outside food delivery is a safety concern. Our district schools do not want to have strangers and people that we do not know coming to our buildings with delivery bags. The District works hard to provide a variety of healthy, good-tasting food in its cafeterias, and students are always free to bring their own lunch to school.

POWERSCHOOL/UNIFIED CLASSROOM

PowerSchool's Unified Classroom is replacing the traditional Parent Portal. This dashboard has new resources for parents that are filled with new features such as attached assignments and enhanced communication tools.

In order to access the Unified Classroom, all parents must create new accounts.
