

FRASER EDUCATIONAL FOUNDATION
SINGLE GRANT APPLICATION -
\$2,000 - \$3,000
2022-2023

Applicant's Name		School
Principal's Name	Area of Assignment	# of students affected by project

- I. Describe clearly and succinctly:
- A. Your creative idea or innovative approach for enhancing instructional and learning experiences for students or that would provide support for students in the learning process.

 - B. The amount you are requesting. Itemize your estimated costs \$_____.
Grant minimum of two thousand dollars (\$2,000), maximum of three thousand dollars (\$3,000). Non-allowable costs include: staff stipends, substitute salaries, conference attendance, college or university course work, or other professional development activities.

 - C. The specific benefits from the project which you expect for students: e.g., improved student achievement, increased student motivation, etc.

 - D. How will you encourage every student who is participating in the project to benefit from it, regardless of their ethnicity and gender.

The above described project has been reviewed by the building principal with the applicant.
