## **EARLY CHILDHOOD EDUCATION GOALS**

Through early childhood education, we hope to assist each child in his/her total development – social, cognitive, physical, and emotional.

It is our aim to:

- Create a warm, secure environment
- Develop a feeling of self-worth
- Provide opportunities for independence
- Encourage sharing and cooperation
- Provide varied experiences that heighten the senses
- Develop listening skills and direction following
- Provide parents with helpful parenting information

## **EARLY CHILDHOOD PROGRAMS DESCRIPTIONS**

### **Early Childhood Care**

Less structured than our Little Learners Preschool, Frasers Early Childhood Care still weaves the values of education into the childcare experience. Through arts and crafts, circle time, role play and basic math concepts, your child will remain intellectually stimulated in a pressure-free, nurturing environment.

**Please see below for more information.**

### **Focus Four**

This comprehensive preschool program, funded by a grant from the state of Michigan, has specific goals of helping those children who are at-risk to receive a quality preschool education. Focus Four preschool mirrors the educational goals of our traditional preschool program and is free to children who qualify. The program is designed to encourage intellectual, social and emotional growth. There are 18 children per class with one teacher and two assistants.

**Please see below for more information.**

## **EARLY CHILDHOOD CARE (ECC)**

The purpose of the ECC Program is to provide a healthy, comfortable, and safe environment where children can learn, play and relax. We encourage good self-esteem, sharing, and cooperation. We provide a wide variety of age appropriate activities that foster socialization skills.

Our daily schedule includes, but is not limited to, the following activities:

Free Play

Snacks

Gross Motor Activities

Art Activities

Lunch (provided by parent)

Nap time (1:00 – 2:30 p.m.)

Story Time

- All children must be 3-5 years of age on or before September 1<sup>st</sup> of the present school year in order to enter the childcare program in September of that year.

## BREAKFAST/LUNCH

You are more than welcome to send breakfast with your child in the morning. You are responsible for providing lunch and a beverage for your child. Please do not send pop or candy in your child's lunch. Each child will be encouraged to eat lunch and given assistance as needed. Please send foods that are nutritious and well balanced. You will be notified if your child is not eating their lunch.

## SNACKS

A nutritious snack will be served each morning and afternoon. We are in compliance with licensing guidelines on all food served in ECC. A schedule of available snacks will be posted. Please let us know if your child has any allergies. Examples of typical snacks would be cheese, crackers, bagels, juice or milk.

NAP TIME A rest period must be provided for each child in our care. Naptime, from 1:00 – 2:30 p.m. daily, can be a very difficult time of day for some children. We ask for your support in encouraging your child to rest at the proper time. Children may have a quiet activity if they do not nap. We will provide a cot for your child to sleep on. You must provide a blanket and pillow for your child. Please provide a plastic bag with your child's name on it for their naptime belongings. Please take linens home weekly to be washed. Your child may also bring a rest time stuffed animal or something that would be comforting from home to further promote the importance of rest/nap time.

## CLOTHING

Please bring a complete change of clothes for your child (pants, shirt, underwear and socks for each season). Accidents do happen and we want to be able to keep the children as comfortable as possible. Also please check periodically to see if your child has outgrown the clothing you have brought.

Unless it is extremely cold or raining, we will go outside to play every day. Please make sure that your child has appropriate outside play clothes. We will play in the snow if it isn't too cold. Be sure to include a jacket, hat, scarf, gloves, boots, and leggings.

Please LABEL everything with your child's name. We cannot be responsible for all the things that come in every day. It builds independence if your child can identify clothing, blankets, lunches (anything from home) because his/her name is on it. It makes it easier for us to help them too.

We want your child's ECC experience to be positive. Please contact us with any questions or concerns. On the next page are some important things to remember to make the home/ECC relationship a positive one! Thanks for trusting us with your child!

#### PARENT/GUARDIAN RESPONSIBILITY

- Parents must sign children in and out of the program each day using time clock and in the classroom. If your child's name and time of departure is not noted, you will be charged for a full day (to 6:00 p.m.)
- Parents will file all court or restraining orders with the front office. Unless a copy of a court order granting custody to only one parent and/or restraining the other parent from contact with the child is on file at the Child Care site, the caregivers do not have the legal authority to withhold the child from the legal parent.
- If the staff believes a parent is under the influence of drugs or alcohol the child will not be released. The police may be notified to ensure the child's safe transport home.
- Parents are fully responsible once a child has been duly released from the Child Care room. The staff is no longer responsible for the child's safety.
- Encourage your child to use all supplies and equipment for their intended use and to return these to their designated storage areas.
- Parents will stay current with their bills or make appropriate payment arrangements with our billing office.
- Parents will keep emergency forms up-to-date with full names and phone numbers for all emergency contacts. In order for your child to participate in the program, Child Care licensing mandates that all emergency forms must be completed in full. Failure to do so causes us to be out of compliance. All information is strictly confidential.
- Parents will dress their child for the weather and with the understanding that outdoor play is an integral part of our program.

The student may return based on the guidance for their diagnosis (See "Managing Communicable Diseases in Schools" [bit.ly/2Pa0z8U](https://bit.ly/2Pa0z8U)) unless they are at risk for COVID-19 exposure.

## **Section 2: IS YOUR CHILD AT RISK FOR EXPOSURE TO COVID-19?**

Students are at higher risk for COVID-19 if in the past 14 days they:

- Had close contact with a person with confirmed COVID-19.
- Have a history of travel.

**If "YES" to any questions in Section 1, and "NO" to all questions in Section 2, student should stay out of school until they meet criteria for return based on their symptoms.**

**If "NO" to all questions in Section 1, and "YES" to any questions in Section 2, students need only be excluded from school if they have had close contact to someone with confirmed COVID-19, as they should be in quarantine.**

If you are asked to have your child medically evaluated, call your health care provider or follow up with a local clinic or urgent care center. You can also call 2-1-1 or go to [www.mi.gov/coronavirustest](http://www.mi.gov/coronavirustest) or [www.macombgov.org/COVID19](http://www.macombgov.org/COVID19) to find the closest testing location. **While testing is not required**, students may need to be excluded from in-person instruction for a longer period of time.

## **HOW LONG MUST THEY STAY OUT OF SCHOOL?**

Keep your child out of school until:

- It has been at least 10 days from the first day they had symptoms.
- They have had 24 hours with no fever without the use of fever-reducing medication.
- And other symptoms have improved. There is no need for a “negative test” or a “doctor’s note” to clear your child to return to school if they meet all isolation and quarantine criteria. The MCHD issues an Isolation and Quarantine Completion Notification Letter once an individual completes isolation/quarantine.

**If your child has symptoms of COVID-19, has risk for exposure to COVID-19, and no testing has been done (or results are pending):**

- **Sore throat:** improvement in symptom (if strep throat: do not return until at least 2 doses of antibiotic have been taken);
- **Cough/Shortness of breath:** improvement in symptom
- **Diarrhea, vomiting, abdominal pain:** no diarrhea or vomiting for 24 hours
- **Severe headache:** improvement in symptom

Children with signs of illness should be kept home to ensure the health and well being of others. Staff reserves the right to refuse admittance to any child who appears ill. If your child develops a contagious disease or rash of any kind during the school year, please call your child’s school. It is mandatory for us to report these illnesses to the Macomb County Health Department on a weekly basis.

If children become ill while in our care, the child will be separated from the group to prevent further spread of the illness to other children. Parent or emergency contact person will be required to immediately pick up the child. The child will be made comfortable and will be adequately supervised until picked up by the parent.

Rash and communicable diseases will require documentation from a physician that you are clear to return to school.

A medicine release form must accompany every prescription before the teachers are able to give medication to a child. All medicines must be in the

original prescription container with directions on the label. We CANNOT dispense over the counter medications.

### **PROTECTIVE SERVICES**

All school personnel have a legal obligation to report any suspected incidents of child abuse. Any time possible neglect, physical abuse, or sexual abuse comes to our attention; we must follow through by notifying Protective Services. That agency will then talk with the child and then make a contact with the parents.

### **SCHOOL CALENDAR**

A Little Learners/Dooley Center Calendar will be provided early in the year. This will include schedule differences from the Fraser Public Schools calendar. Little Learners does follow ALL Fraser Public School observed holidays.

### **SCHOOL CLOSINGS**

Our childcare programs will follow the procedures of Fraser Public Schools regarding school cancellations due to weather conditions, mechanical failures, etc... Tune in to your radio station, WJR-760 AM or television for information. We will also send a district wide email notification or phone call using our School Messenger system.

### **TOILET TRAINING**

ALL children must be fully toilet trained (no pull-ups) before attending our programs. Children must be independent in taking care of bathroom needs. We understand that children of this age may have accidents; in an event your child has a bathroom accident, we will assist your child with changing to dry clothes. If additional clean-up is needed, parents will be called

### **VOLUNTEER SUPERVISION POLICY**

**Due to COVID-19 we will not have volunteers or visitors.**

## WITHDRAWAL POLICY

When your child is enrolled in the Little Learner Programs, it is expected that he/she will remain for the full year. However, if it should become necessary for you to withdraw your child, we ask that you give us a two-week notification in writing. This must be done before charges will be discontinued.

If a teacher feels that your child should be withdrawn from the Preschool program, a meeting with the parents, the staff members, the Director, and Assistant Superintendent (if necessary) will be scheduled for a determination to be made.

The following circumstances may also result in your child being dismissed from our program:

- Failure to pay for services in a timely manner.
- Returned Checks.
- Child not adhering to mask wearing policy.
  
- Failure to sign your child in or out of the program on a daily basis.
- Dropping off a child prior to the program's designated starting time and leaving them in an unsupervised situation.
- Chronic late pick-ups.
- Failure to complete the child information card or other forms at time of registration.
- Continual behavior that is disruptive to others, dangerous or destructive.
- We reserve the right to an immediate disenrollment due to unforeseen circumstances.
