Introduction

Fraser Public Schools has developed a curriculum that is comprehensive and challenging for our students. Student learning and student success are the focal point for instruction. Our staff continues to refine and improve the curriculum, teaching techniques and learning opportunities for our students.

We understand the need to be flexible and provide families options for learning in an environment that fits their needs. Fraser has two learning environments available for students enrolled in grades 7 – 12.

Face-to-Face Learning Environment: Students are enrolled in our traditional middle and high school programs. All courses are taken in person at Fraser High School or Richards Middle School. Our face-to-face program offers a learning environment where students receive instruction in a classroom setting directly from their teacher. Students are expected to be in attendance at Richards Middle School or Fraser High School for all scheduled class times.

Virtual Learning Environment: Students are enrolled in our fully virtual program. All courses are completed at home via an online 3rd party platform. Our 3rd party provider, for the 2022-23 school year will be Imagine Edgenuity. For more information on their platform, please see <https://www.imaginelearning.com/en/us/products/imagine-edgenuity>.

Making a decision which learning environment is best for your family can be difficult. This booklet outlines important procedures and expectations of our secondary virtual program to help students and parents make informed choices. It is important to note that students in our virtual learning environment will need a learning coach at home to help facilitate the direct instruction they receive. This instruction will be provided by Edgenuity teachers, not Fraser teachers. All Edgenuity teachers are certified by the state of Michigan. In addition, students should be self-motivated learners and commit to:

- Attend any scheduled class meetings.
- Actively participate in class by responding to questions, completing assignments, and providing feedback.
- Complete and submit assignments in a timely fashion.
- Maintain academic integrity when working on all course work.
- Be present with cameras on, unless noted by the classroom teacher.
- When requested, attend school in-person for extended learning opportunities, benchmark testing, or State testing (M-Step, PSAT, SAT).
- Understand final grades will be issued and will count towards GPA for all high school courses.

The Counseling Department and school Administration is available to assist students and parents with the scheduling process. Appointments and/or phone calls may be made to discuss issues or concerns. Do not hesitate to contact if you need assistance.

Building a sound educational program is not the single concern of the student, but also involves parents, counselors, and teachers. This booklet should be studied carefully and if there is anything that is not clear, be sure to get in touch with a counselor.

The material contained in this book is constantly subject to review. The faculty, administration and the Board of Education are always striving to keep the curriculum purposeful.

Fraser Virtual Procedures and Expectations

Attendance

Students will be required to adhere to Edgenuity's guidelines around attendance, as well as their assignment and assessment completion policies. Students are also required to regularly communicate with the Fraser Public Schools Virtual School Advisor.

Failure to complete the required work will result in written documentation and notification to administration. Students will be expected to communicate with their advisor if they are falling behind in their classes.

Count Day

All Fraser Virtual students are expected to be in attendance for all virtual courses during the four week count day period.

Teacher Communication

All Fraser Virtual students are required to maintain weekly 2-way communication with his/her teacher and/or advisor throughout the semester for all courses. Communication may be in person, via email, within a GoTo meeting, or by successful completion of course assignments. Exceptions are during school breaks. Failure to communicate with teachers will result in documentation to administration. Continued absences will require Fraser to file truancy.

RMS Seminar and FHS SMART Classes

All Fraser Virtual Middle School students will be assigned the Fraser Virtual Advisor as their Seminar teacher. Students are expected to have 2-way communication during this time with their seminar teacher at least once per week.

Course Changes

Any request to transfer from a class after the start of the semester must be submitted to the counselor in writing and may require a parent meeting with the principal.

Learner Environment Changes

Requests to switch between the virtual and face-to-face learning environments will be permitted at semester break only. All requests must be submitted in writing to the counselor by December 1, 2022.

Academic Integrity

All Fraser Virtual students are expected to exhibit academic integrity in all aspects of their education. Academic integrity means making a sincere effort to learn, avoid cheating, plagiarism, and other forms of academic dishonesty. Academic integrity violations will be a written referral to administration where the student code of conduct will be enforced.

Benchmark Assessments

Teachers will conduct district academic and social emotional benchmark assessments on all students three times per year. These assessments will be completed in person. The data collected during our benchmark testing periods is used to guide instruction and ensure that teachers are able to meet the needs of all learners.

State Testing

All students are required to take all appropriate grade-level state assessments. You must appear at the designated location, date, and time to take your state assessments.

- 7th Grade:
 - **MSTEP Math and English Language Arts** is *required* to assess student knowledge on state standards administered in the spring of 7th grade year
- 8th Grade:
 - **PSAT 8/9** is a *required* preliminary version of the SAT that test for college readiness and AP Potential administered in the spring of 8th grade year

 - **ACT** is an *optional* test that students can take for college entrance during junior year or fall of senior year

Technology

Any student using equipment (computer, iPad, internet, etc.) owned by Fraser Public Schools, agrees to follow the [MacBook/ iPad student and parent agreement](#). Students must contact the tech department if they are having technology issues. Any Fraser Public School property, including but not limited to laptops, iPads, and power cords must be returned to Fraser Public Schools within 5 days of the end of the school year or upon transferring out of Fraser Public Schools. Failure to return Fraser Public School property may result in legal action.

For all technology issues, families should submit a request for [Device and Instructional Support](#).

PowerSchool Parent Portal

The Parent Portal application offers parents the opportunity to access real-time student information, such as grades, attendance, and class information. An Internet connection and email address is the only requirement to use this tool. All student information is delivered securely and can only be viewed by using the username and password information provided by your child's school. For assistance please contact Fraser High School: 439-7200 or Richards Middle School 439-7400.

Athletics

Fraser Virtual students are permitted to participate in Athletics. Please contact the athletic department with any questions and to ensure eligibility. Check the [Fraser Athletics Webpage](#) for more information.

Clubs and Other Extra-Curricular Activities

Fraser Virtual students are permitted to participate in after-school and other extra-curricular activities provided they meet eligibility requirements.

*** Please note that the above protocols are not necessarily sequential and violations of the [Fraser Student Code of Conduct](#) may result in immediate removal from the virtual program***

Profile of a Successful Online Learner

Instructors with years of online teaching experience agree that students who have successful, satisfying experiences learning online share several critical characteristics.

Review these characteristics and answer these questions for and with potential online learners.

- **Good Time Management:** Can the student create and maintain a study schedule throughout the semester without face-to-face interaction with a teacher?
- **Effective Communication:** Can the student ask for help, make contact with other students and the instructor online, and describe any problems she/he has with learning materials using email, text messaging and/or the telephone?
- **Independent Study Habits:** Can the student study and complete assignments without direct supervision and maintain the self-discipline to stick to a schedule?
- **Self-Motivation:** Does the student have a strong desire to learn skills, acquire knowledge, and fulfill assignments in online courses because of an educational goal? Can she/he maintain focus on that goal?
- **Academic Readiness:** Does the student have the basic reading, writing, math and computer literacy skills to succeed in the class?
- **Technology Prepared:** Does the student know how to open, create and/or save a document; use various technology tools (e.g., dictionary, thesaurus, grammar checker, calculator); and identify various file formats (e.g., doc, xls, pdf, jpg)? (from Michigan Educational Technology Standards for Students 2009).

At Home Learning: Student Tips

- * Set a wake-up time each day
- * Eat healthy meals and snacks
- * Include physical exercise each day
- * Set academic times for schoolwork
- * Include rest and quiet time
- * Make time for friends and family
- * Set a healthy bedtime

At Home Learning: Daily Student Routine

1 - Identify a place to study

- Avoid TV, phones, and other conversations
- Find a comfortable place to sit upright and organize your materials
- Let other people around you know it's your study time

2 - Set a schoolwork schedule. *What will your day look like?*

- Think about your day. When is the best time for schoolwork?
 - Consider other responsibilities you have: babysitting, work, chores, etc.
 - Consider your free time and plan that in, too
 - Plan your day. Decide when you will do homework. Commit to that time.
- Take breaks as needed

3 - Determine your tasks for the day

- Log into **Edgenuity** each day
- For each class, determine what your tasks/assignments are for that day
- Work on one class at a time to complete the task/assignments that have been posted.

4 - Complete the tasks

- Remember to turn your task/assignment in to your teacher
- Need assistance?
 - Reach out to fellow classmates
 - Join your teacher's scheduled GoTo Meeting
 - Reach out to your teacher via email. Remember, your teacher is not 'on call'. Be patient waiting for a response.

At Home Learning: Parent Tips

	Set up a learner-friendly area Make sure your child has a well-lit place to complete homework. Keep supplies within reach.
	Schedule a regular study time Set a time of day for schoolwork. Some kids work best in the morning while others may prefer the afternoon. Set a time that works for your family.
	Help them make a plan Encourage your child to break up the work into manageable chunks and take breaks as necessary. Create a work schedule for the day.
	Keep distractions to a minimum Reduce or eliminate TV, loud music, or phone calls.
	Make sure kids do their own work Children will learn when they think for themselves. Parents can make suggestions and help with directions.
	Be a motivator and monitor Ask about their schoolwork. Give encouragement, check completed homework, and make yourself available for questions and concerns.
	Set a good example Does your child ever see you diligently working on something or reading a book? Be a good role model.
	Praise their work and efforts Praise their efforts in learning at home.
	Get help when needed Encourage your child to reach out to friends in their class with questions. Contact the teacher when needed.
