

Summer Learning Opportunities-Calendar #5

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Write the phone number you want your child to learn. Have your child use a pretend key pad to practice the #.</p>	<p>How to Teach PHONE NUMBERS</p>  <p>Make a paper plate phone to practice your phone number</p>	<p>Coffee Filter Earth: Your child can color a coffee filter with blue and green washable markers. Place on a paper towel and spray with water.</p>	<p>Match it up Phone #: Write your number on a long piece of paper. Make smaller cards with one number on each card. Have your child match the cards to the long paper while saying the numbers.</p>	<p>Outside write the numbers on the cement with chalk to look like a phone. Have your child stomp or jump on the numbers as he/she says their phone number.</p>
<p>Make a sign or decorate your door to show support for our essentials workers and to brighten someone's day.</p>	<p>Patterning: Find or make a pattern using two groups of items.</p> 	<p>Recycling sorting Have your child try the attached "Sorting Recyclables" sheet.</p>	<p>Math: Turn a number card over, say the # and put that many items out. Do this again with another item then add the 2 groups together.</p>	<p>Take your crayons and put them into groups of 5 then count to see how many groups of 5 you have. You could try counting by 5 to find the total number of crayons.</p>
<p>Listen to a story and talk about the setting.</p>	<p>Listen to a story. Tell a grownup the problem in the story and how the problem was solved.</p>	<p>Listen to a story and tell your grownup your favorite part and why.</p>	<p>Listen to a story. Show a grownup 5 different letters you know in the book.</p>	<p>Listen to a story. Retell the story using the pictures as clues.</p>
<p>Use crayons, or markers to make letters that have just lines.</p> 	<p>Write Your name 3 times. If you can write your first name then try your last name. Say the letter names as you write them.</p>	<p>Draw a picture of one way you can help keep the earth clean and healthy!</p>	<p>Play Alphabet BINGO (Look up online) Keep to play over and over with the family.</p>	<p>Practice drawing shapes, writing letters and numbers!</p>
