# EARLY CHILDHOOD PROGRAMS DESCRIPTIONS

# **Toddle-Time**

Toddle Time is a program designed for toddlers (18 months through 3 years of age) and their parents aimed to provide quality time interacting with other children of the same age. The program consists of art activities, story time, free play, music and movement activities, and snack time. Parents and/or caregivers are required to participate in all activities with their child. Parenting information regarding early childhood development will be provided every month. Parents will provide snacks. **Please see below for more information.** 

# **Traditional Preschool**

While we introduce concepts of math, science, language and social studies, we make sure it was presented with a big dose of fun. Fraser Public Schools Preschool helps children to build the critical thinking and problem-solving skills they'll need to succeed in kindergarten, school and life. Teachers plan lessons to deepen their understanding of basic academic concepts

through exploration, investigation and play. We work to ensure that they learn all they need to be successful students in Kindergarten and beyond. **Please see below for more information.** 

# **Great Start Readiness Program**

This comprehensive preschool program, funded by a grant from the state of Michigan, has specific goals of helping those children who are at-risk to receive a quality preschool education. GSRP preschool mirrors the educational goals of our traditional preschool program and is free to children who qualify. The program is designed to encourage intellectual, social and emotional growth. There are 16 children per class with one teacher and one assistant. Please see below for more information.

# **Early Childhood Care**

Less structured than our Little Learners Preschool, Frasers Early Childhood Care still weaves the values of education into the childcare experience. Through arts and crafts, circle time, role play and basic math concepts, your child will remain intellectually stimulated in a pressure-free, nurturing environment. **Please see below for more information.**

### SLIDING FEE

- Families whose income is above 250% of the Federal Poverty guidelines will pay the following fee for preschool tuition:

½ Day Programming	GSRP Eligible - No Tuition	\$5/week	\$10/week
School Day Programming	GSRP Eligible - No Tuition	\$10/week	\$20/week

- Parents who pay tuition may not incur expenses for other portions of the program, such as meals or transportation.
- Income and tuition fees are calculated at the time of enrollment. During the academic year, if the family situation changes, families may request a recalculation of income in order to determine a lower tuition.

### CHILD ABUSE OR NEGLECT REPORTING

Staff is required by law to report all suspected cases of child abuse and/or neglect to the appropriate authorities. (Act No. 238, Public Act of 1975, as amended Sections 722.621-722.636, Michigan Compiled Laws).

# **EARLY CHILDHOOD CARE (ECC)**

The purpose of the ECC Program is to provide a healthy, comfortable, and safe environment where children can learn, play and relax. We encourage good self-esteem, sharing, and cooperation. We provide a wide variety of age appropriate activities that foster socialization skills. All children must be 3-5 years of age on or before September 1st of the present school year in order to enter the childcare program in September of that year.

Our daily schedule includes, but is not limited to, the following activities:

- Free Play
- Snacks
- Gross Motor Activities
- Art Activities
- Lunch (provided by parent or purchased through food service)
- Nap time (1:00 2:30 p.m.)
- Story Time

### BREAKFAST/LUNCH (ECC)

You are more than welcome to send breakfast with your child in the morning. You are responsible for providing lunch and a beverage for your child. Please do not send pop or candy in your child's lunch. You may also order lunch from food service at least 48 hrs in advance. Each child will be encouraged to eat lunch and given assistance as needed. Please send foods that are nutritious and well balanced. You will be notified if your child is not eating their lunch.

### SNACKS (ECC)

A nutritious snack will be served each morning and afternoon. We are in compliance with licensing guidelines on all food served in ECC. A schedule of available snacks will be posted. Please let us know if your child has any allergies. Examples of typical snacks would be cheese, crackers, bagels, juice or milk.

# NAP TIME (ECC)

A rest period must be provided for each child in our care. Naptime, from 1:00 - 2:30 p.m. daily, can be a very difficult time of day for some children. We ask for your support in encouraging your child to rest at the proper time. Children may have a quiet activity if they do not nap. We will provide a cot for your child to sleep on. You must provide a blanket and pillow for your child. Please provide a plastic bag with your child's name on it for their naptime belongings. Please take linens home weekly to be washed. Your child may also bring a rest time stuffed animal or something that would be comforting from home to further promote the importance of rest/nap time.

# CLOTHING (ECC)

Please bring a complete change of clothes for your child (pants, shirt, underwear and socks for each season). Accidents do happen and we want to be able to keep the children as comfortable as possible. Also please check periodically to see if your child has outgrown the clothing you have brought.

Unless it is extremely cold or raining, we will go outside to play every day. Please make sure that your child has appropriate outside play clothes. We will play in the snow if it isn't too cold. Be sure to include a jacket, hat, scarf, gloves, boots, and leggings.

Please LABEL everything with your child's name. We cannot be responsible for all the things that come in every day. It builds independence if your child can identify clothing, blankets, lunches (anything from home) because his/her name is on it. It makes it easier for us to help them too.

We want your child's ECC experience to be positive. Please contact us with any questions or concerns. On the next page are some important things to remember to make the home/ECC relationship a positive one! Thanks for trusting us with your child!

### PARENT/GUARDIAN RESPONSIBILITY (ECC)

Parents will file all court or restraining orders with the front office. Unless a copy of a court order granting custody to only one parent and/or restraining the other parent from contact with the child is on file at the Child Care site, the caregivers do not have the legal authority to withhold the child from the legal parent.

If the staff believes a parent is under the influence of drugs or alcohol the child will not be released. The police may be notified to ensure the child's safe transport home.

Parents are fully responsible once a child has been duly released from the Preschool or Child Care room. The staff is no longer responsible for the child's safety.

Encourage your child to use all supplies and equipment for their intended use and to return these to their designated storage areas.

Parents will keep emergency forms up-to-date with full names and phone numbers for all emergency contacts. In order for your child to participate in the program, Child Care licensing mandates that all emergency forms must be completed in full. Failure to do so causes us to be out of compliance. All information is strictly confidential.

Parents will dress their child for the weather and with the understanding that outdoor play is an integral part of our program.

Students are at higher risk for COVID-19 if in the past 14 days they:

- Had close contact with a person with confirmed COVID-19.
- Have a history of travel.

If "YES" to any questions in Section 1, and "NO" to all questions in Section 2, the student should stay out of school until they meet criteria for return based on their symptoms.

Students should not go to school or participate in any school activities or sports if having symptoms of COVID-19. If a student starts having symptoms of COVID-19 while at school, they need to be sent home. The student may return based on the guidance for their diagnosis unless they are at risk for COVID-19 exposure.

If "YES" to any question in Section 1, and "YES" to any question in Section 2, the student should stay out of school, and be evaluated by their healthcare provider and possibly receive COVID-19 testing.

If "NO" to all questions in Section 1, and "YES" to any questions in Section 2, students need only be excluded from school if they have had close contact with someone confirmed with COVID-19, as they should be in quarantine.

If you are asked to have your child medically evaluated, call your health care provider or follow up with a local clinic or urgent care center. You can also call 2-1-1 or go to <a href="https://www.mi.gov/coronavirustest">www.mi.gov/coronavirustest</a> or <a href="https://www.macombgov.org/COVID19">www.macombgov.org/COVID19</a> to find the closest testing location. While testing is not required, students may need to be excluded from in-person instruction for a longer period of time.

# HOW LONG MUST THEY STAY OUT OF SCHOOL?

Please know that this section may change based on MCHD, MDHHS and State childcare licensing directives.

If your child has symptoms of COVID-19, and tests positive for COVID-19:

Keep your child out of school until:

- It has been at least 5 days since the first day they had symptoms. They must wear a well fitted mask for an additional 5 days.
- They have had 24 hours with no fever without the use of fever-reducing medication.
- And other symptoms have improved. There is no need for a "negative test" or a "doctor's note" to clear your child to return to school if they meet all isolation and quarantine criteria.

If your child has symptoms of COVID-19, has risk for exposure to COVID-19, and no testing has been done (or results are pending):

- It has been at least 5 days since the first day they had symptoms. They must wear a well fitted mask for an additional 5 days.
- They have had 24 hours with no fever without the use of fever-reducing medication.
- Other symptoms have improved.

If your child has symptoms of COVID-19, has risk for exposure to COVID-19, and tests negative for COVID-19:

It is important to note, however, that all absences are logged for documenting a student's whereabouts during school hours, whether medically excused or not.
