

Question 1

Question:

What School will the tilting skillet & convection oven be going to be getting installed in and will there be old equipment that will be needing to be removed and disposed of at time of install?

Response:

The Tilting Skillet will be installed at:

Fraser High School
34270 Garfield
Fraser, MI 48026

The Convection Oven will be installed at:

Richards Middle School
33500 Garfield
Fraser, MI 48026

Removal of the old equipment will be the responsibility of the successful bidder if installation is required. Disposal is not required.
