

FRASER PUBLIC SCHOOLS PEST MANAGEMENT PLAN

As part of the Fraser Public Schools Pest Management Program, pesticides are occasionally applied. You have the right to be informed prior to any pesticide application made to the school grounds and buildings. In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following any such application. If you need prior notification, you may notify the school district in any one of the following ways:

- Email the form below to environmental@fraserk12.org
- Call the office of Operations & Maintenance 586-439-7114
- Complete the form in the school newsletter and submit to the school that your child attends

If you wish to be notified of pesticide treatments, please enter the following information and copy & paste it into an email to: environmental@fraserk12.org
