

# Over the FENCE

## District Announces Teachers of the Year

■ *Congratulations to Kaitlin King, Jackie Carter, and Kerry Engle, our 2025 Fraser Public Schools' Teachers of the Year!*

The three educators were nominated by their colleagues and celebrated at a building staff meeting. They will be honored at a countywide banquet later this month, hosted by the MISD, and recognized at an upcoming Board of Education meeting.

Additionally, Mrs. Carter was named the Macomb County Middle School Level Outstanding Teacher of the Year by the MISD Selection

Committee. She will receive an award, a professional development voucher, and have her photo displayed at the MISD.

The following are excerpts from their nomination forms.

**KAITLIN KING**

Mathematics, Fraser High School

Ms. King's classroom is a place where students feel respected and understood. She maintains a positive attitude and begins each class with a smile, whether she is tutoring struggling students in algebra or guiding advanced learners in calculus.

Ms. King makes teaching mathematics look easy to an outsider, but her coworkers appreciate how much time she puts into perfecting her lessons. She shares her time and her talents with the entire Mathematics Department and has made all of us better teachers. She is truly an all-around good human being, and we are grateful for her contributions.

### SUPERINTENDENT'S MESSAGE

Dear Fraser Families,

I hope you had a restful and rejuvenating spring break, and are ready to finish the school year strong. As we move forward, it's hard to believe how quickly time seems to be flying. While summer break may feel just around the corner, we are preparing for a busy and productive summer filled with important bond projects.

During the past months, we have laid the groundwork to begin construction and major upgrades as soon as school lets out in June. One key project is the demolition of the existing chiller and pad, and the installation of new HVAC network control cabling at Richards Middle School. In the coming weeks, a

new chiller will be installed, which will provide consistent indoor temperatures throughout the year.

A major portion of the RMS flat roof will also be replaced, as well as full roof replacements at Disney and Emerson elementary schools. LED lighting will be completed throughout RMS, Disney, and Emerson as we proceed through the coming months.

One of the most significant projects this summer will be replacing the entire parking lot at Fraser High School, along with nearly all of the concrete sidewalks throughout the campus.

We'll also be updating technology, including iPads for K-2 students and

elementary staff, and security cameras. These bond projects are essential to making our district safer, stronger, and more conducive to learning. They will provide lasting benefits to our students and staff for years to come.

Thank you for your continued support as we work to improve our schools and learning environments.

With Fraser Pride,  
**Dr. Wozniak**

Superintendent Carrie Wozniak, Ph.D.  
carrie.wozniak@fraserk12.org

# CURRICULUM CORNER

CONFERENCES  
CELEBRATE LEARNING

*Elementary spring conferences took on a fresh new format, transforming into an open house-style celebration of learning, where students took the lead in discussing their educational journey.*

Students proudly guided their families into their classrooms, showcasing their progress since the fall conferences. They reflected on their goals, presented their work, and highlighted their achievements. Teachers were present, circulating to offer support and encouragement as needed.

While Fraser has successfully implemented student-led conferences in the fall for several years, this was the first time the approach extended to spring conferences. Additionally, the introduction of an open house format further empowered students to take ownership of their learning, actively engaging in goal-setting and self-assessment. This shift fostered deeper, more meaningful conversations among students, teachers, and families.

This initiative aligns with the district's strategic plan and the Portrait of a Graduate, ensuring students develop the skills and values our community envisions for Fraser High School graduates.

As part of the process, many students created ePortfolios in Canvas, guiding their families through their work and demonstrating their growth. Students will continue these ePortfolios as they progress through the grades, providing a valuable record of their learning journey.

The response was overwhelmingly positive, with schools reporting significantly higher attendance at spring conferences than in previous years. Given its success, the district plans to continue this format in the future, further strengthening the connection between students, families, and educators.

## FHS Charity Week

*Each year, student groups at Fraser High School come together to raise funds for a charitable cause.*

This year, they were proud to support the Fraser VFW as their Charity of the Year. Students selected the VFW to honor and assist veterans—a group they had not previously focused on.

Many students have a personal connection to someone who has served or know someone who does. Recognizing that veterans are often overlooked, students wanted to show their appreciation by raising funds specifically for our local Fraser VFW chapter.

To achieve their goal of \$10,000, the students set up fundraisers at restaurants, held sporting events and coin wars, sold T-shirts, and sold students tickets to skip a class and participate in a fun activity.

At the end of the week, students presented the Fraser VFW with a check for \$11,000!

... Continued from page 1

**JACQUELYN CARTER**  
English Language Arts, Richards Middle School

Mrs. Carter is a compassionate and dedicated educator known for creating a safe, caring environment where students thrive academically and personally. Her genuine interest in each student, whether or not

they are part of her class, fosters a sense of belonging and inspires joy and success among her learners. She takes the time to understand students as individuals, encouraging their growth both inside and outside the classroom.

Beyond her work with students, Mrs. Carter is a strong advocate who never hesitates to support her learners and their needs. Her passion for education and unwavering professionalism often inspires her colleagues, contributing positively to the school culture. She consistently goes above and beyond for the benefit of the school, district, staff, and students. Her ability to balance instructional excellence with meaningful student connections sets her apart as a remarkable leader and educator.

**KERRY ENGLE**  
Second Grade, Disney Elementary School

Mrs. Engle is a master at her craft, demonstrating an unwavering passion for teaching that shines through every lesson. She has a unique ability to make every student feel special, valued, and supported

while still holding them accountable to high academic and behavioral expectations. Mrs. Engle understands that each child is unique and takes the time to nurture individual strengths and address specific needs, ensuring that every student can grow and succeed.

Mrs. Engle fosters a safe and supportive environment built around kindness, compassion, and encouragement to take risks, persevere through challenges, and believe in potential. Her high expectations for students push them to reach their full potential, and she finds creative, innovative ways to help them achieve their goals. Likewise, she holds herself to high standards, maintaining an open mind and a can-do attitude, which has led to her accomplishment as a published author.

## FRASER NAMES LITERACY AMBASSADOR

*Congratulations to Marissa Fett for being named a MISD Literacy Ambassador for the 2024-25 school year!*

Mrs. Fett is a resource room teacher at Mark Twain Elementary School. She was nominated by Kate Mulligan, director of elementary education, and Jane Sturgell, director of special education.

“Mrs. Fett is a dedicated and passionate educator who tirelessly supports all students in their journey to becoming confident readers,” stated her nomination letter. “As a Special

Education Resource Teacher, she not only brings expertise in literacy instruction but also embodies the belief that every child deserves the opportunity to succeed. Her ability to instill a love of reading in students, model effective instructional strategies, and share best practices with colleagues makes her an invaluable leader in our school community.”

Each public school district in Macomb County elects an ambassador based upon their dedication to supporting literacy in their school communities. This honor was started by the Macomb Intermediate School District (MISD) to promote literacy in Macomb County.

# A Month Full of Stories: **FPS CELEBRATES MARCH IS READING MONTH**

*March was an exciting and memorable month throughout Fraser Public Schools as we celebrated March is Reading Month!*

Throughout the district, classrooms were buzzing with activities designed to foster a love for reading and promote literacy in fun and creative ways.

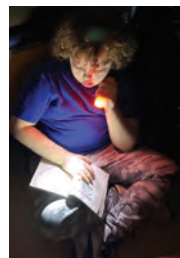

The month kicked off with a spirited start as schools participated in a themed spirit week. One of the highlights of the month was the wonderful involvement of our families and staff. They were invited into classrooms to be guest readers, sharing their favorite stories and helping students see the magic that

books can bring to life. The students loved having special visitors, and the warmth and excitement of these read-alouds created lasting memories.

In addition, many classes encouraged students to track their reading with reading logs. Students set individual reading goals, eagerly filling out their logs and taking pride in their progress. Many classrooms also worked together toward class reading goals, creating a sense of teamwork and shared excitement as they reached new milestones. Whether they were reading independently, or with a family member, or listening to a story in class, students' enthusiasm for books grew stronger with each passing day.

March is Reading Month was a wonderful reminder of the power of literacy and the joy of getting lost in a good book. At FPS, the love for reading doesn't stop here—it's something we'll continue to nurture all year long!

## *The Welkin* Honored by NCTE

*The Welkin* is a literary art magazine, where students from the art and creative writing classes at Fraser High School come

together to compile their work into a cohesive story for the magazine. The magazine won Honorable Mention at the Recognizing Excellence in Art and Literary Magazines [REALM] contest by the National Council of Teachers in English [NCTE].

This year, schools in 46 states and five countries nominated 422 student magazines. Magazines from middle school, high school, and higher education were welcomed for the 2024 contest.

The editor-in-chief, Dawson Sarcona, has overseen *The Welkin* during the entirety of his high school career. His commitment to the magazine helped them achieve this award.

"It's an honor to see my efforts, and the work of everyone who contributed art and writing to this magazine, recognized," Sarcona said.

The REALM program publicly recognizes excellent literary magazines produced by students with the support of their teachers. REALM is designed to encourage all schools to develop literary magazines that celebrate the art and craft of writing.

# SCIENCE OLYMPIAD

*Macomb Science Olympiad is dedicated to inspiring the next generation of scientists, engineers, and doctors through an extracurricular education program that emphasizes a hands-on approach and develops problem-solving and teamwork skills.*

The South Macomb Tournament was held at Fraser High School on March 8. Elementary schools throughout the district had an exciting time participating in this event. Medals were handed out in nine categories.

Disney's team earned a medal in 13 of 17 events and earned the overall 1st place trophy out of 31 teams competing. It is Disney's third year in a row as a 1st place team.

Edison students placed as follows: Briella Heckman and Daren Heckman in 3rd place in Bridging the Gap and 7th place in Code Warriors; Ben Golick and Liliana Ruhl in 2nd place in Crash Car Eggsperter and 6th place in Charged Up; and James Avery and Levi Keil in 8th place in Crime Busters and 8th place in Starry, Starry Night.

Eisenhower's team ranked 13th out of the 31 teams, up from 25th three years ago! Eisenhower brought home four event medals; 8th place in Rock Hounds, Jackson Tillitson, 4th grade, and Maylynn Fanson, 4th grade; 7th place in Crime Busters, Owen Harville, 6th grade, and Hudson Reardon, 6th grade; 4th place in Amazing Arthropods, Grayson, 5th grade, and Graham VanConnant, 3rd grade; and 1st place in Weather

or Nor, Owen Harville, 6th grade, and Hudson Reardon, 6th grade.

Team Emerson placed 24th out of the 31 teams. Katherine Sutherland and Kayla Urban placed 4th in Crime Busters. Their small but mighty team had a lot of fun, and they look forward to competing again in the May tournament.

Salk students placed in the following events: Brandon Williams and Elliot Mimikos in 2nd place in Bridging the Gap; Ayla Swanson and Addison

Stosik in 2nd place in Crime Busters; Maddon Zonic and Christopher Wozniak in 3rd place in Simple Machines; and Sophia Sock and Rowan Lempinen in 6th place in Starry, Starry Night.

Twain congratulates the Bridging the Gap competitors, Nellie Blehm and Aria Venneste, on their 5th place medal!

We are so proud of everyone's hard work and dedication, coaches and students alike! We had an excellent showing at the South Macomb Tournament at Fraser High School and cannot wait to see what happens at the May tournament.

## Kid's Heart Challenge

*Elementary schools across the district participated in the American Heart Association (AHA) Kids Heart Challenge.*

The AHA works to improve health outcomes at home and beyond through hands-only CPR education. Some students and families in the district chose to learn hands-only CPR. Students in the Kids Heart Challenge collected donations to help other kids with special hearts. This money helps the AHA fund its research and educational programs aimed at leading healthy, active lifestyles. This directly impacts the lives of everyone everywhere!

Students also had a week of Kids Heart Challenge stations in their physical education class, where they utilized hula hoops, jump ropes, and other cardiovascular activities. Students got a great cardio workout while having a blast at each station!

The AHA gave back to the schools and students for their tremendous efforts. Students received prizes and the schools received funds to purchase physical education equipment. Collectively, the schools donated over \$16,000 to the American Heart Association!

# Fourth Grade Marathon Project

*Students in Mrs. Frazier's 4th-grade class at Edison Elementary have spent the last month collecting donations from the community as part of their Social Studies Olympiad Marathon project.*

They had 17 businesses that offered to help them during the month of February by having donation boxes and change containers at their restaurants or stores. With the help of those businesses and the Fraser community, the students collected over \$2,000. With this money, they purchased new toys, clothes, and blankets for the children at Children's Hospital of Michigan.

The students were very excited to make the delivery on March 19 as part of that project. While at the hospital, they talked to the Child Life Projects Specialist and explained their project to her before unloading the donations and heading off to lunch at El Charro to celebrate.

This started as a small project to help a few children who needed to visit the hospital for whatever reason and quickly became something that brought each

one of the students in the group joy and excitement. With each donation that was made or toy that was purchased, the students' desire to help others grew and grew. This group will go on to be difference makers! Their desire to help others was evident before and the completion of this project has made them stronger leaders, difference makers, and kind-hearted human beings.

We want to send a heartfelt thank you to Mr. Rodgers for allowing them to use the band trailer to deliver the donations, Mrs. Domenicucci for offering to drive the trailer to the hospital, and Mr. Justice for printing eagles to include with the thank-you cards for the businesses, as well as the staff, students, and community for their donations.

## Quotes from students about the project:

"I learned that when you help people, it's not just about helping people, it's about making them happy after you do it."

- Kaylee

"I learned that making the world a better place is good because, when people are in the hospital, maybe we can make it better." - Jonah

"I am excited about dropping off all the toys, but it seems like just yesterday we were making calls and already we are dropping things off. - Ben

"When I first started wanting to help people is when I saw a bunch of homeless people on the side of the road, and I couldn't help then but now that I am able to help, I see how great it is to help others." - Valentino

"I really like helping the Children's Hospital because there are kids in need, and I know what it feels like to be bored, so I want to help them out and make their days at the hospital fun." - Liliana

"I learned that one small thing can go a long way. We started with two donations, and it quickly grew larger." - ShyLee

"I learned that it's more important to help others than yourself, and it's important to always put others first." - James

"I learned that one person can make a huge change in the world." - Landon

# Battle of the Books

*Emerson fifth graders recently participated in the Battle of the Books.*

The event is sponsored by the Clinton-Macomb Public Library each year. Students worked in teams to read a total of 12 books and answer questions about them in the competition held at Chippewa Valley High School. Some of the more popular titles were *Gamerville* and *Doll Bones*.

*Gamerville* tells the story of a video gamer's championship hopes that are dashed when his parents send him to Camp Reset, where electronics are forbidden and you're forced to socialize, eat healthy, and spend time outside. *Gamerville* stresses the importance of human connection.

*Doll Bones* won the Mythopoeic Fantasy Award in Children's Literature. The book relates the story of three youths' quest to return a haunted doll to its proper grave site in another town.

Congratulations to Noah Large, Levi Holman, Mikah Kolbe, Zane Czarnecki, Evelyn Jarvis, Aria Welch, Serenity Paille, Norah Standen, Sam Rhodenizer, Tucker Rocheleau, Nina Curry, Alistair Juarez Chesney, and Skylar Seymour! Way to go! Be proud of your hard work.

## Edison 5th Graders Make Oobleck!

*As Edison wrapped up its 5th-grade science unit on matter, students had an exciting opportunity to showcase their learning during student-led conferences.*

One of the highlights was the hands-on demonstration of making Oobleck! As students mixed cornstarch and water, they eagerly discussed with their parents whether it was a solid or a liquid, using their new knowledge to explain how it behaves like a liquid when handled gently but acts like a solid when pressure is applied.

Keira exclaimed, "Best conference ever! Making Oobleck was messy but cool!" This fun activity wasn't just about making a mess, it was a chance for students to demonstrate their understanding of matter in a real-world context, turning the classroom into a space where they became the teachers. It was a memorable moment where science came alive for both students and families!

## 3rd-Grade Pet Adoption

*Disney 3rd-grade students celebrated March is Reading Month in fun and creative ways!*

This year, students participated in a special Reading Buddy Pet Adoption event, where they had the opportunity to adopt their very own reading buddy and commit to reading to them for 20 minutes each day.

The journey began with students filling out adoption applications for their chosen animal, promising to be responsible pet owners and read daily. Once their pets were adopted, the fun truly began! Students spent an afternoon exploring different stations designed to enhance their adoption experience. They visited a pet grooming station, took their animals to the vet area, and even designed shelters to ensure their pets would feel right at home.

The excitement didn't stop there! These beloved reading buddies are now a part of the students' daily routines, especially during the much-anticipated Drop Everything and Launch into a Book

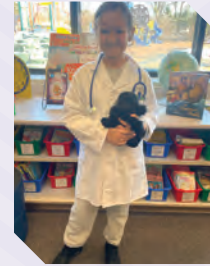

time. The reading buddies join in every day, bringing a smile to the faces of the students as they read aloud to their furry companions.

The students have truly embraced their new reading buddy pets and are thrilled to help them find their "forever" homes. It's a heartwarming sight to see the excitement and dedication as these young readers bond with their pets while enhancing their reading skills.

March is Reading Month continues to be a memorable time for Disney 3rd graders, filled with learning, creativity, and a lot of love for their new reading buddies!

## Charity Week at Salk

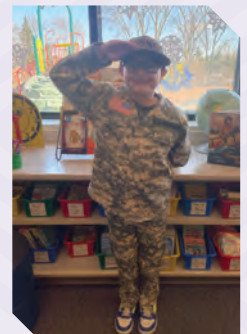

Salk Elementary held a charity week for St. Jude's Children's Hospital because

the students wanted to make a difference in the lives of sick children. Salk held a spirit week where students donated any amount to participate. The school's spirit week included a switch day, where students dressed like teachers and teachers dressed like students; a dress like your future career day; a Western day; a bring anything but a cup for your water day; and a Salk spirit day. In total, the Salk community collected \$1,161.36 for this worthy cause.

Out of all the classrooms, Mrs. Monette's 4th graders raised the most money and will celebrate with a pizza party. The Salk Seahawks had a fantastic time during Charity Spirit Week and worked together to help raise vital funds for this wonderful organization.

A huge thank you to all the students, staff, and families who participated and contributed. Your kindness and generosity will make a real impact on the lives of children in need.

Way to go, Salk Seahawks! Together, you are making a difference.

## PI DAY Celebration

*Disney 6th graders had an amazing time celebrating Pi Day on Friday, March 14.*

The day was filled with a variety of fun and educational activities that brought math to life in creative ways. Students kicked things off with the Pi Memorization Challenge, where many impressed staff and students by reciting as many digits of Pi as they could. Taylor Ford was the top winner, reciting an incredible 65 digits.

The excitement continued with the Pi Day Race, where students raced to solve circle-related challenges, and the creation of Pi Bracelets, in which they used colorful beads to represent the digits of Pi. The day also included graphing Pi's digits to explore the randomness of the number, and a fun Pi Cityscape project where students turned graphs into pictures. They even

had the opportunity to design their dream slices of pie through art and writing. A big thank you to the families who donated pies and snacks shaped like circles to make the event even more enjoyable. The grand finale was a hilarious pie-eating contest, where students competed to finish their pies –no hands allowed! Congratulations to Mrs. Grammatico, Miss Capoferri, and Ja'Lena Washington for being the big winners. Overall, Pi Day was a huge success, filled with learning, laughter, and plenty of pie!

## Kindergartners Embrace Writing

Kindergartners have been hard at work learning about penguins. As part of their informational writing unit, they have become experts on these amazing birds. Students really enjoyed following along in a guided penguin drawing lesson and making a fun craft to decorate their classroom and hallways.

After reading many exciting fictional stories, with *Tacky the Penguin* being an all-time favorite, they wrote their own books about a lot of silly things their character would do. While sharing in read-aloud sessions and partner readings with informational books, the students became professional researchers. They then took this new knowledge and wrote their own nonfiction texts through interactive writings and a "I do," "We do," and "You do" approach to learning. All the students are now ready to visit the Southern Hemisphere to see their new feathered friends!

## Mark Twain Gizmo Game Night

*Mark Twain Title 1 hosted a Gizmo Family Game Night and had a great turnout! Students and families filled the gym to play a variety of educational games.*

Mark Twain staff members were on hand to facilitate the game stations. After playing all the games, families picked their favorite game to take home, free of charge. The excitement was high, and the competition was fun!

This Title 1 event supports a family-owned local business. Learning Gizmos, on Van Dyke in Warren, has an excellent selection of educational materials for teachers and families.

*"My favorite game had four levels to play. My sister picked out the Sight Word Swat game to take home. It was so fun!"*  
- Mason M., 2nd grade

*"My brother and I got Buildzi. It was awesome that we got a free game!"*  
- Layla M., 6th grade

*"I loved getting to see all the families. I especially loved playing games with students from all grade levels."*  
- Ms. Danaj, 5th-grade teacher

*"I had a great time watching the students compete and challenge themselves. The collaboration was impressive."* - Mr. Nick, head custodian

The home-school connection is so important for the success of our students. Keep a lookout for more family engagement nights at Twain this year!

## Student Receives Best of Show

*Congratulations to Fraser High School Senior Dawson Sarcona, whose painting "Welcome to Nigh" was awarded Best of Show at the Anton Art Center's exhibition!*

Not only did he receive this top honor, but he also earned an Honorable Mention for his outstanding art portfolio!

His award-winning painting, "Welcome to Nigh," features a character, Heart, whom he designed from scratch—an original creation that could be Marvel's next top superhero.

Dawson's creativity and vision are truly next level, and we cannot wait to see where his artistic journey takes him! This incredible achievement comes with a \$500 cash award, generously sponsored by the Kenneth & Patricia Hoover Education Foundation.

Out of 207 talented student artists from 25 Macomb County schools, Dawson's work stood out among 369 featured artworks—a true testament to his talent and dedication!

The exhibition is open through April 12—stop by and experience the amazing artwork on display.

## Richards Middle School Shines at District Festivals

*The music programs at Richards Middle School have recently showcased their talent and dedication at two prestigious district-level festivals, earning commendable ratings and making their school proud.*

### MSBOA DISTRICT XVI BAND FESTIVAL SUCCESS

Congratulations to the Richards Middle School 8th Grade Band for their outstanding performance at the District XVI Michigan School Band & Orchestra Association (MSBOA) Band Festival. The event, held at Warren Woods Tower High School, featured 73 RMS band students who demonstrated their musical growth and skills on stage.

Bands at the festival are evaluated by three judges for their performance and by one judge for sight-reading. Each ensemble is assessed in five musical categories: Tone, Intonation, Rhythm, Technique, and Interpretation, receiving ratings from A to E. The judges then assign an overall rating from First Division [Superior] to Fifth Division.

On February 29, the 8th Grade Band delivered an excellent performance, earning an overall Second Division rating! Their dedication and perseverance have led to remarkable progress, not only in their musical abilities but also in their performance etiquette.

### SVMA CHORAL FESTIVAL TRIUMPH

The Richards Middle School Choir also had an exciting and historic moment at the Michigan School Vocal Music Association (MSVMA) District 16 Choral Festival. Held on March 10 at Stoney Creek High School, the event marked the first time RMS competed in this prestigious festival.

A total of 54 choir students from 7th and 8th grades participated, performing under the scrutiny of three performance judges

and one sight-reading judge. Their evaluation was based on six criteria: Tone Quality, Pitch, Rhythm, Diction, Interpretation, and Presentation.

Out of a possible 120 points, the RMS Choir achieved an impressive score of 99, earning them a Division 1 rating! This incredible achievement is a testament to the students' hard work and commitment to refining their musical literacy and performance skills throughout the year.

### A BRIGHT FUTURE FOR RMS MUSIC

These accomplishments highlight the exceptional efforts of the Richards Middle School music students and their dedication to excellence. The continued growth of

the band and choir programs ensures a bright future for the young musicians as they advance in their musical journeys. These students have set a strong foundation for their future as Fraser High School musicians. Congratulations to all the students, directors, and supporters who made these achievements possible!

# MSBOA STATE SOLO & ENSEMBLE RESULTS

*Congratulations to the Fraser High School band students who participated in the Michigan School Band and Orchestra Association (MSBOA) State Solo and Ensemble Festival on Saturday, March 15, at Warren Cousino High School.*

Fourteen events qualified for State at the District Solo & Ensemble Festival on February 1.

The soloists in grades 10, 11, and 12 compete at a sequenced proficiency level, which include performing a solo piece, memorized scales, and sight-reading music they have never seen before.

The proficiencies get increasingly more difficult as they progress by grade. For the proficiency ratings, a First Division is a score of 85 to 100, and a Second Division is a score of 70 to 84.

**ALL 14 events that qualified for State received “Superior” First Division ratings, equivalent to the overall grade of an “A”!**

Included in the State competition were six chamber ensembles, each comprising of nine to 20 students, for a total of 76 ensemble members. Their talent, hard work, and dedication are exemplary!

## FIRST DIVISION RATINGS

- Paige Teer – Flute Solo, Proficiency 3, 86
- Paige Teer – Bass Flute Solo, Proficiency 3, 90
- Jacob Paradowski – Trumpet Solo, Proficiency 3, 92
- Jude Johnston – Tenor Drum Solo, Proficiency 2, 89
- Olivia Deir – Alto Sax Solo, Proficiency 1, 93
- Kiersten Guc – Flute Solo, 9th Grade Solo
- Paige Teer & Audrey Kanne – Flute Duet
- Anthony Maceri & Casey Martin – Clarinet & Bass Clarinet Duet
- Flute Choir [9 Students]
- Clarinet Choir [13 Students]
- Saxophone Ensemble [12 Students]
- Brass Ensemble A [13 Students]
- Brass Ensemble B [14 Students]
- Percussion Ensemble [15 Students]

## PLANNING AHEAD

- APRIL 5**  
Salk Mom2Mom Sale  
Salk Elementary, 8:00 a.m. – 12:00 p.m.
- APRIL 7**  
School Board Meeting  
Idea Lab, 7:00 p.m.
- APRIL 9**  
FHS SAT Testing [10th & 11th Grades Only]  
Dismissed at 12:30 p.m.
- APRIL 10**  
FHS SAT Testing [9th & 11th Grades Only]  
Dismissed at 11:00 a.m.
- APRIL 15**  
All Levels Early Release  
Elementary: 8:35 a.m. – 1:30 p.m.  
RMS: 8:05 a.m. – 12:30 p.m.  
FHS: 7:30 – 11:44 a.m.
- APRIL 18**  
No School All Levels, Good Friday
- APRIL 21**  
School Board Meeting  
Idea Lab, 7:00 p.m.
- APRIL 29**  
Piano Recitals  
FHS Auditorium, 7:00 p.m.
- MAY 1**  
Elementary 5th & 6th Grade Band Concert  
FHS Gym, 7:00 p.m.
- MAY 2**  
FHS Early Release  
7:30 – 11:44 a.m.
- MAY 2**  
Prom  
Villa Penna's, 6:00 – 11:00 p.m.
- MAY 5**  
School Board Meeting  
Idea Lab, 7:00 p.m.
- MAY 6**  
District Art Show Open House  
FHS Media Center, 7:30 a.m. – 2:30 p.m. & 5:00 – 7:00 p.m.
- MAY 6**  
Fraser Youth Choir & RMS Vocal Concert  
Fraser Performing Arts Center, 7:00 p.m.
- MAY 7**  
FHS Vocal Concerts  
Fraser Performing Arts Center, 7:00 p.m.
- MAY 7 – 8**  
District Art Show  
FHS Media Center, 7:30 a.m. – 4:30 p.m.
- MAY 8**  
Honors Convocation  
Fraser Performing Arts Center, 6:00 p.m.
- MAY 8**  
RMS & Elementary Early Release  
Elementary: 8:35 a.m. – 1:30 p.m.  
RMS: 8:05 a.m. – 12:30 p.m.

# Salk Elementary's Second Annual *Mom-2-Mom Sale*

Location: Salk Elementary (17601 15 Mile Rd.)

**Dates:**

- Set-up - Friday, April 4th
- Sale Date - Saturday, April 5th

**Time:**

- Early Bird: 8:00 a.m. - 9:00 a.m.
- Regular Hours: 9:00 a.m. - 12:00 p.m.

**Admission:**

- Early Bird - \$5.00/person
- Regular Hours - \$3.00/person
- Children (under 18) - free

**Space Rental:**

- Table - \$25.00 if registered on or before March 8<sup>th</sup>  
\$30.00 if registered after March 8<sup>th</sup>
- Rack Space - \$5.00 (rack not provided)

Big-Ticket Items: A nonrefundable \$2 fee will be charged per item.

Only 60 tables are available, so make sure to book yours quickly. If you are interested in renting a table/rack or bringing big-ticket items to sell, please send an email to [SalkPTOMom2Mom@gmail.com](mailto:SalkPTOMom2Mom@gmail.com)
