

# Over the FENCE

## Welcome Our Newest Board Member

*Fraser Public Schools extends a warm welcome to Mr. Todd Burrows, our newest Board of Education member.*

Mr. Burrows was sworn in at the February 24 regular board meeting. He will serve as trustee and fills the vacancy created by Mr. Dan Stawinski's retirement at the end of January.

"I can foremost bring a willingness to serve and a strong desire to be part of and build up the Fraser School culture," he said in his application. "I am a critical thinker who prefers consensus-building decision making and would bring a measured approach to my role on the school board."

Mr. Burrows lives with his family in Fraser, and has a son in second grade at Salk Elementary. He has regularly attended board meetings since his son started kindergarten.

Mr. Burrows has a Master of Business Administration degree from Lawrence Technological University. He has worked at the U.S. Army Contracting Command - Detroit Arsenal for more than 20 years.

Please join us in welcoming Mr. Burrows to our Board.

### SUPERINTENDENT'S MESSAGE

Dear Fraser Families, March is here and that means it is time for Fraser High School Student Council's highly anticipated Charity Week! This series of fundraisers will take place during the first week of March and benefit the Fraser VFW Chapter 6691. There will be both school-day and after-school events, and I encourage you to check our website and social media for all the details on community events in which you can help us support this great cause. The Student Council has set a goal of raising \$10,000, and I'm confident we can achieve it with the generosity of our community!

Additionally, I am pleased to welcome our newest Board Member, Mr. Todd Burrows. Mr. Burrows was appointed to the Board during a special meeting on February 12. He fills the vacancy left by Mr. Dan Stawinski. We are fortunate to have Mr. Burrows join our team, and his vast experience and educational background will further strengthen our Board of Education. Be sure to read more about Mr. Burrows in the article on this page.

Lastly, as we head into the end of the month, I am eagerly anticipating spring break, which will take place on March 24-28. I hope everyone gets some much-needed rest and comes back refreshed for the remainder of the year.

Thank you for all your continued support and dedication to our school community. I look forward to seeing the impact of Charity Week and all the great things to come!

With Fraser Pride,  
**Dr. Wozniak**

# CURRICULUM CORNER

SECONDARY  
COURSE OFFERINGS

We are excited to adjust our middle school and high school offerings with the addition of some new courses for our students. The School Board approved the addition of these courses during the January meeting. These courses will provide our students more flexibility with their schedules, intentional focus on interests, and a unique opportunity at the high school to start early on a potential wage-earning career.

The following are the new courses approved for Richards Middle School:

**2-D Art and 3-D Art** – These two courses take the place of Art 7 and Art 8. The implementation of these two courses will allow students to focus on a specific type of art they enjoy. Additionally, it will allow them the capability to take the course in 7th grade, 8th grade, or both.

**Advanced Physical Education** – This is a brand-new course that extends our 8th-grade offerings. This course is designed for students who want to go beyond the entry-level experience that general Physical Education provides to all our students.

The following is the new course approved for Fraser High School:

**Hybrid Introduction to Sports Officiating** – This course is offered to 10th- through 12th-grade students. During this course, students will be trained to referee three different sports – basketball, volleyball, and one yet to be determined. Students will get interactive training via the RefReps curriculum and complete each unit with the MHSAA certification assessment. All fees for the assessment are waived by MHSAA for taking this course. Upon passing the certification, students will immediately be able to start officiating events for MHSAA and begin what could be a full career in sports officiating.

Fraser Public Schools is excited to offer these new electives. We continue to look for opportunities for our students to enhance their skills in areas of their interests.

## Celebrating Career Technical Education

*February was CTE Month and Fraser High School celebrated by honoring two outstanding students of the year and one business partner of the year.*

These individuals were recognized at the Macomb County CTE Awards Banquet on February 7, and at the Board of Education meeting on February 10.

### LILLIAN McFEELY

Lillian is currently enrolled in the Future Teacher Capstone and has a strong interest in the education career pathway. She is gaining experience through her clinical placement in a second-grade classroom at Disney Elementary. She is enthusiastic about teaching, actively seeks involvement, and has a natural ability to build meaningful connections with her peers and her students. Upon graduation, Lillian plans to attend Wayne State University to pursue a degree in elementary education.

### TYLER BAKER

Tyler is a natural leader and can be seen helping his fellow students both in and out of the classroom. Tyler is also a two-year member of SkillsUSA and was a state qualifier in Technical Drafting. His attention to detail makes him highly suited for the world of engineering. During his time at FHS, Tyler has completed 21 semester courses of CTE coursework. Following graduation, Tyler will be attending college and majoring in engineering.

### SARA GREVI OF FIRST STATE BANK, BUSINESS PARTNER OF THE YEAR

First State Bank truly shows commitment with its employees' hard-work ethics. As a community-

based institution, it fosters relationships by providing much-needed educational resources. It has provided workshops for more than 800 students since this partnership began in 2022. The entire organization has been an excellent community partner for the Fraser High School Business Department.

# Edison Benefits from New LITERACY RESOURCES

*Excitement is building in Edison Elementary K-2 classrooms as teachers continue to utilize a wealth of new literacy materials provided by the district in recent years.*

These resources – Bridge to Reading, decodable texts, interactive read-alouds, and training in DRI/small group instruction – are transforming the way our youngest learners engage with reading and writing.

With Bridge to Reading, students are developing essential phonemic awareness and foundational literacy skills through structured, engaging lessons. Decodable texts give children the opportunity to apply their phonics knowledge in meaningful ways, building confidence as they read independently. Interactive read-alouds bring stories to life, fostering a love for literature and expanding students' comprehension skills.

Additionally, teachers have received training in DRI (Differentiated Reading

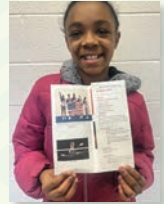

Instruction) and small group instruction, allowing them to tailor lessons to meet each child's individual needs. This focused, research-based approach ensures that all students – whether they're just beginning to recognize letters or are already reading short books – receive the support they need to grow as readers.

By immersing students in these rich literacy experiences, our dedicated teachers are laying the foundation for a lifetime of learning. It's inspiring to see how these new resources are helping our young readers thrive!

## Black History Month Celebrations

Students across the district spent the month of February engaging in classroom discussions and activities

about African American leaders. They read inspiring stories and watched short clips of how these leaders have impacted society. To wrap up the month, students completed a Black History Month Choice Board Project, wrote Instagram posts, made mini posters, made dioramas, made brochures, and wrote newspaper articles to name a few. The students have gained so much knowledge on African American leaders!

# 100<sup>th</sup> Day of School

*Elementary students recently celebrated 100 days of school!*

Students had learning activities focused on the number 100. They stacked 100 cups, built with 100 LEGO®s, counted

snacks with 100 pieces, wrote about 100 days, learned about history 100 years ago, had 100-second movement brain breaks, dressed as a person 100 years old, and much more.

They had so much fun reflecting on their learning and celebrating the first 100 days of school. Thank you to all our families for donations to help make everyone's 100-day celebrations a success. We look forward to many more days of learning ahead!

## CTE Students Visit Eisenhower

On Friday, February 7, students from Fraser High School visited Eisenhower Elementary for the

annual Career Fair. The 6th graders were immersed in a series of hands-on activities led by the high school students. The enthusiasm was palpable from both high school and elementary students. While reflecting with the 6th graders afterwards, here are some of their takeaways...

*"I learned how to give CPR to a baby and an adult." – Amelia W.*

*"My favorite part was learning how to decorate a cake. He didn't just tell us how, but we actually got to try it!" – Denver M.*

*"I liked how we got to do different activities and rotate to stations, but I liked the welding the most!" – Parker W.*

Opportunities like this make the Fraser Public Schools district stand out. Staff members care about students beyond the classroom and provide experiences like this to set them up in their possible career paths early, ultimately setting them up for success in the real world.

# CHARITY WEEK 2025

*Each year, student groups at Fraser High School come together to raise funds for a charitable cause.*

This year, we are proud to support the Fraser VFW as our Charity of the Year. Students selected the VFW to honor and assist veterans – a group they had not previously focused on. Many have a personal connection to someone who has served or know someone who does. Recognizing that veterans are often overlooked, students wanted to show their appreciation by raising funds specifically for our local Fraser VFW chapter. Their goal is to donate \$10,000 on March 7.

To launch our fundraising efforts, students will be selling charity T-shirts for \$10 during lunch, starting February 26 through March 6, and at many of the events planned for the week, while supplies last. These shirts will be worn on March 7 as part of our Charity Week Pep Assembly.

The Charity Week timeline is listed below. Some new events this year are as follows:

### BELLY FLOP

Join us after school on Monday for the Belly Flop Contest, a lighthearted charity event in which contestants will perform two judged jumps into our pool. The top three will advance to the final round, competing for a prize.

**Admission:** \$5 per student

**Event Features:** Walk-up music, student emcee, and event filming by the broadcasting class

**Support:** The swim team will assist in running the event, with lifeguards ensuring safety

### COIN STALLS

Tuesday during Block 5 and Wednesday during Block 1, coin stalls will be in the classrooms. Teachers will count all donated coins before class begins.

### TICKET TO SKIP IT

Students preorder tickets for Thursday to skip a class and do fun activities instead.

Students pay \$10 per block or \$25 for 5th, 6th and 7th blocks.

- 5th Block: Breakfast served
- 6th Block: Open gym
- 7th Block: Watch a movie

### Tropical Smoothie Cafe

34521 Utica, Fraser  
February 28, 2:00 – 8:00 p.m.

### Chick-fil-A

32061 Gratiot, Roseville  
March 5, 5:00 – 7:00 p.m.

### Great Baraboo

35905 Utica, Clinton Township  
March 6, 6:00 – 9:00 p.m.

Thank you to the basketball teams, powderbuff teams, dodgeball teams, and Belly Flop contestants for participating.

Thank you to the following clubs for hosting events: NHS, Quill & Scroll, and HOSA. This week would not be running without you.

Finally, thank you to everyone in the Fraser community for your support!

One way you can help is by sharing our [Give Butter link](#), which is similar to GoFundMe. This is a way community members can donate if they cannot make it to any of our events.

#### FRASER HIGH SCHOOL CHARITY WEEK 2025

Dodgeball Tournament @2:30 in the Main Gym

FRIDAY, MARCH 7

Pep Assembly

## Emerson 3rd Graders Declare Michigan's Official State Food

*Third-grade students at Emerson Elementary recently completed an opinion paper on what should be Michigan's official state food.*

Students had the chance to taste test some iconic Michigan-made products before making their case: Vernors, Better Made Chips, Kellogg's Corn Flakes, and Faygo soda. The students tasted each product and then expressed their thoughts on which one deserved the title of "Michigan's Official State Food." With a mix of curiosity and enthusiasm, they shared their opinions of these beloved local items.

Evelyn Baumann said, "I chose Faygo because it's iconic. My family drinks it every year for the 4th of July. And Faygo has been around a long time!"

Aubrey Lang agreed, "My family always drinks Faygo on the holidays!"

Victoria Mentz countered with her choice of Vernors; "I chose Vernors because when you're sick, it can help your stomach and throat feel better."

This opinion-writing lesson not only sparked creativity but also encouraged the students to think about what makes

Michigan unique. As for which food will become Michigan's official state food? Well, that's still up for debate, but the third graders certainly made it a delicious conversation!

## FHS AND DOOLEY PARTNER FOR CARDS OF CARE

*Valentine's Day is all about sharing love and kindness, and this year, our Fraser family proved once again that its heart is bigger than ever.*

Through the Cards of Care initiative, Fraser High School's National Technical Honor Society (NTHS) collected countless handmade Valentine's Day cards to brighten the days of residents in elderly homes and assisted living facilities. But this wasn't just any service project - this was a true collaboration between the littlest and oldest learners in our Fraser community.

Thanks to the dedication of Ms. Taylor Dubai, a Dooley staff member and former NTHS president, our youngest students played a special role in this heartfelt mission. As the founder of Cards of Care, Ms. Dubai partnered with the current NTHS president to keep the tradition alive, and with the help of Dooley's incredible staff, even the

littlest learners joined in by creating beautifully decorated Valentine's Day cards filled with warm wishes and kind messages.

This partnership between Dooley and Fraser High School is a perfect example of what makes Fraser such a special place - no matter where you are in your education journey, you are always part of the Fraser family. Seeing our youngest students work alongside our high school leaders to spread kindness reminds us all that community, connection, and caring for others are values that last a lifetime.

A huge thank-you to everyone who helped make this year's Cards of Care a success. Because of you, so many hearts were touched, smiles were shared, and love was spread.

# BUILDING CHARACTER THROUGH PEER LEARNING

*At Salk Elementary, monthly Town Hall Assemblies continue to be a meaningful way to foster character development among students.*

Each month, a different grade level takes the lead in presenting a designated character trait to their peers. This student-led approach not only promotes engagement but also reinforces the well-documented benefits of peer-to-peer teaching – helping students deepen their understanding through explanation and interaction.

So far this year, students have explored essential traits such as teamwork, responsibility, gratitude, cooperation, growth mindset, and kindness. In addition to these inspiring presentations, each assembly also highlights students who

have best exemplified the previous month's character trait, as nominated by their teachers. These students receive special recognition and enjoy a well-earned pizza lunch with the principal.

This initiative is just one of the many ways Salk's PBIS (Positive Behavioral Interventions and Supports) program encourages a positive and respectful school culture. The monthly Town Hall Assemblies have become a tradition that students eagerly anticipate, reinforcing the values that make our school community strong.

## Local Authors Visit Twain and Disney

On January 24, students at both Mark Twain and Disney elementary schools were visited by local authors and twin sisters Kelly Barker and Kerry Engle. Mrs. Barker, a former second-grade teacher from Twain, and Mrs. Engle, a current second-grade teacher at Disney, recently published their first children's story, *Cookie Finds a Home*. The authors shared their tale about a young puppy finding his forever home with students in grades K-6. They also discussed the writing process while focusing on conventions such as repeated words, onomatopoeia, alliteration, and figuring out the heart of the story. Copies of *Cookie Finds a Home* have been added to our libraries and are available for checkout. The book is also available through [Amazon](#), [Barnes and Noble](#), and [Dorrance Publishing](#). Our students loved the story and can't wait to read their next one!

## The Difference Makers Club

*The Difference Makers Club is made up of elite eighth-grade students who want to make a difference for themselves and for others.*

They meet twice a month and work on special projects that help to support those in our community who could use the extra love.

On February 5, the club visited Fraser Senior Activity Center, where we played bingo with the seniors. Whether it was calling the bingo numbers, serving snacks, or sitting by friends and assisting with the bingo cards, the DM Club shined! The senior citizens loved the interactions with the students and just wanted to know, "When are they coming back?"

On February 21 they visited St. Margaret's Church, where they supported the homeless by preparing lunch, serving lunch, playing games with them and assisting St. Margaret's clothes closet and food pantry.

Way to make a difference, RMS club members. We couldn't be prouder!

# A Celebration to Remember

Dooley students were full of excitement as they celebrated their hard work in following their school-wide PBIS (Positive Behavioral Interventions and Supports) rules and expectations. The reward? A special visit from their beloved school mascot, Bumbles, and a school-wide dance party!

Bumbles made a surprise visit to classrooms, bringing joy and energy as she handed out tickets to students who had earned the celebration. But that wasn't all – Bumbles was also celebrating her birthday, making the moment even more special. The students were thrilled to see her and felt extra proud knowing their great behavior had earned them such a fun event.

The real party kicked off on Wednesday when the entire school gathered in the gym for an unforgettable dance party! With disco lights shining and music pumping,

students and staff danced, laughed, and celebrated their achievements together. The atmosphere was electric as everyone let loose and enjoyed the well-earned reward.

This event was a fantastic reminder of how positive reinforcement and school-wide collaboration create a fun and encouraging environment for students. It wasn't just about the dancing – it was about teamwork, respect, and making school a place where hard work is recognized and rewarded.

Dooley's staff can't wait to see what their students accomplish next – who knows what exciting celebration will come their way in the future?

# Spreading Kindness

Third grade is spreading kindness across the hallways of Eisenhower Elementary. Students helped make a "Have a Cup of Kindness" bulletin board to show the many ways that you can be kind to others. The third grade is hoping to inspire others to show kindness inside and outside of school. Students also made cards to show kindness and gratitude to staff members that help their school be the best it can be.

# Michigan Life in the 1700s

Recently, third-grade students at Mark Twain Elementary had the opportunity to hear from presenter Genot Picor.

Genot comes from a line of French voyageurs and Native Americans. During his presentation students

learned about what life was like in Michigan in the 1700s. The students became active travelers back into Michigan's fur trade. They had the opportunity to see and touch animal furs and foot imprints, as well as tools from that period. Students were also able to participate in traditional Native American stories, songs, dances, and games. This learning opportunity greatly enhanced the students' experience of our third-grade Michigan social studies curriculum.

## HERE IS WHAT THE KIDS THOUGHT:

"My favorite part was when we did the story about the mama bear and the two baby bears and how it became Sleeping Bear Dunes." – Rielle C.

"I liked how he taught us a couple things like the wedding dance and the song where he kept singing people's names. I liked how he was teaching us some French words." – Brooklynn S.

"I liked when he taught us sign language with the songs and that it was about the Native Americans." – Emily H.

"I learned sign language, and what I liked was that he made funny stories with everybody's names. I liked the furs that we could feel and one of them we could put around us. And everybody got a chance to play the ring game." – Jessica M.

"I liked when he dressed kids up in a beaver jacket. I learned that you can make stuff out of animals like covers, food, clothes, and you can make some stuff that you need." – Brandon L.

# MSBOA District Results

*Congratulations to the Fraser High School band students who participated in the Michigan School Band and Orchestra Association District 16 Solo & Ensemble Festival on Saturday, February 1, at Rochester High School.*

Eleven events placed in the competition. Eight events received First Division ratings, a "Superior" performance equivalent to the overall grade of an "A." Three events received Second Division ratings, an "Excellent" performance equivalent to an overall grade of a "B."

### FIRST DIVISION RATINGS

- Paige Teer – Flute Solo
- Paige Teer – Bass Flute Solo
- Kiersten Guc – Flute Solo
- Olivia Deir – Alto Sax Solo
- Jacob Paradowski – Trumpet Solo
- Jude Johnston – Tenor Drum Solo
- Paige Teer & Audrey Kanne – Flute Duet
- Anthony Maceri & Casey Martin – Clarinet & Bass Clarinet Duet

### SECOND DIVISION RATINGS

- Jordan Lees – Alto Sax Solo
- Miranda Prout – Trombone Solo
- Arsian Qyli, Aidian Prout, Drake Langworthy, & William Catalfio – Alto Sax, Trumpet, French Horn, & Tenor Sax Quartet

All events that received a First Division rating are qualified to participate in the State Solo & Ensemble Festival on March 15.

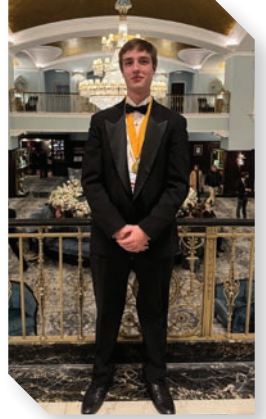

Good luck to all participants.

Also, congratulations to Jacob Paradowski, 12th grade trumpet, who auditioned and was accepted to participate in the All-State High School Band at the annual Michigan Music Conference on Saturday, January 25,

held at the DeVos Place in Grand Rapids, Michigan! He was accepted among the 2764 students who auditioned for a seat in one of the five All-State ensembles.

Pictured is Jacob at the Amway Grand and with Randall Standridge, composer and guest conductor of the All-State Honors Band.

Congratulations to all the Fraser band students for their accomplishments!

# Richards Middle School Solo & Ensemble Results

*Richards Middle School band students participated in the Michigan School Band and Orchestra Association District 16 Solo and Ensemble Festival in mid-January.*

Of the 19 participating events, eight received First Division ratings, a "Superior" performance equivalent to the overall grade of an "A."

Eleven events received Second Division ratings, an "Excellent" performance equivalent to an overall grade of a "B."

### FIRST DIVISION RATINGS

- Michael DeMarco, Ben Muylaert, & Jeremy Schmidt – Woodwind Trio

- Essence Duhart – Flute Solo
- Mikayla Irby – Flute Solo
- Cameron Mazzone – Alto Saxophone Solo
- Aaliyah Mazure & Melanie Moronczyk – Clarinet & Trombone Duet
- Melanie Moronczyk – Trombone Solo
- Carlton Smith – Clarinet Solo
- Zoe Woznak – Tuba Solo

### SECOND DIVISION RATINGS

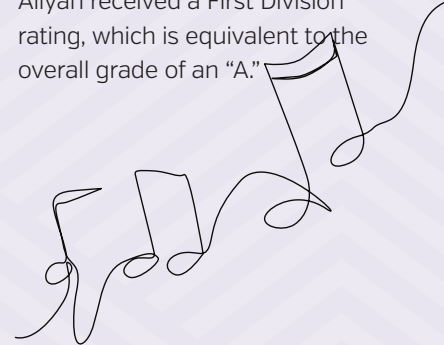

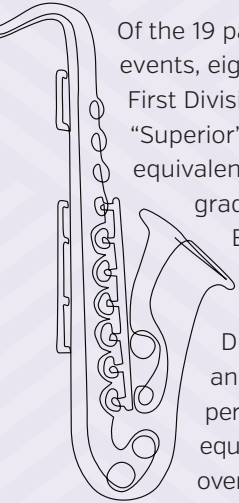

- Augustino Cracchiolo – Alto Saxophone Solo
- Augustino Cracchiolo – Piano Solo
- Gabriella Darga – Oboe Solo
- Alaina Dorris & Elijah Scamihorn – Flute & Mallet Duet

- Bella Evola & Jasmine Caudill – Saxophone Duet
- Sage Fobare – Flute Solo
- Arya Lempinen – Xylophone Solo
- Sophia Schodowski & Rylee Turri – Brass Duet
- James Shields – Snare Solo
- James Shields – Xylophone Solo
- Anabelle Stepanchenko & Elizabeth Gerlach – Flute Duet

Congratulations to Aliyah Andrews from Richards Middle School, who recently participated in the Michigan School Vocal Music Association District 16 Solo and Ensemble Festival. This event required each student to prepare two

contrasting vocal pieces, one of which had to be in a foreign language. During her performance, she was evaluated on several criteria, including tonal beauty, breath control, musical elements, language elements, interpretation, and presentation.

Aliyah received a First Division rating, which is equivalent to the overall grade of an "A."

## Cook Like You Mean It Classic XIV

*Fraser High School was honored to compete in the Dorsey College American Culinary Federation (ACF) Competition – Cook Like You Mean It Classic XIV!*

This prestigious two-day event brought together nearly 20 certified ACF Judges from across the country, including Master Chefs, Certified Managers, and members of International Competition Team USA. Competing alongside 200 talented chefs, ranging from high school students to seasoned professionals, was an unforgettable experience for our students.

Fraser High School proudly brought eight competitors, who showcased their skills in one of the three visual kitchens, taking on an intense one-hour culinary or baking skills challenge.

Congratulations to our talented competitors:

### CULINARY COMPETITORS

Londinn Jackson – ACF Culinary Diploma Gold Medal

Isabella Griebe – ACF Culinary Diploma Gold Medal

### BAKING COMPETITORS

Lillian Haney – Silver Medal

Gracee Stratton – Bronze Medal

Clara Lund – Bronze Medal

Riahna Johnson – ACF Culinary Diploma

Ava Johnston

Madison Boundry

*[An ACF Culinary Diploma is awarded to competitors who demonstrate a high level of skill and professionalism in an ACF-sanctioned competition, even if they do not place on the medal platform.]*

A huge thank-you to ACF National, the American Culinary Federation Michigan Chefs de Cuisine Chapter, and Chefs Matt Schellig and Thomas Recinella, whose dedication to high school competitors has been instrumental in expanding opportunities for young chefs.

This was an incredible learning experience, and we are beyond proud of our students' hard work, passion, and commitment!

preparation, and determination, and each of these students has represented Fraser High School with pride and excellence.

Let's continue to support and encourage our students as they prepare for the state competition. Their dedication is truly commendable, and no doubt they will continue to make Fraser proud!

## SkillsUSA Culinary Competition

*Fraser High School culinary students participated in the SkillsUSA Competition held at the Culinary Institute of Michigan, Baker College in Port Huron on January 30 and 31.*

Our Fraser culinary students showcased their talents against strong competition from various high schools in Region 2 East Culinary/Hospitality, including Dakota, Golightly Career, Harper Woods, Lincoln, OSTC-SE, Romeo Career, Warren Tower, South Lake, St. Clair Tech, Warren Consolidated, Pankow, and Eastpointe.

Congratulations to the following students for their outstanding performances:

### CULINARY COMPETITION

Londyn Lowe

Londinn Jackson

### BAKING COMPETITION

Gracee Stratton, 4th Place – Alternate for State  
Lillian Haney, 3rd Place – Advancing to State  
Clara Lund

### TABLE SERVICE COMPETITION

Luciana Rodriguez

A special congratulations to Lillian Haney, who placed 3rd, and Gracee Stratton, who placed 4th in the baking competition. Lillian will be advancing to the State competition in Grand Rapids from April 11-13!

This is a tremendous achievement and speaks volumes about the dedication, hard work, and skill of our culinary students. Competing in these high-pressure situations takes courage,

# Anton Art Center Student Art Show

We are thrilled to announce that several of our incredibly talented Fraser High School students have had their artwork accepted into the prestigious Macomb County Secondary Student Art Show at the Anton Art Center!

**The following students and their artworks will be featured in the exhibition:**

- Ella Dubai, Grade 12** – “Age Resistant” [Drawing]
- Angelina Apel, Grade 12** – “The Cost of No Choice” [Drawing]
- Dawson Sarcona, Grade 12** – “Welcome to Nigh”\* [Drawing/painting], “Screenager” [Drawing/painting], “Twister” [Sculpture], “The Mad Hatter” [Sculpture], Portfolio: A stunning collection of six artworks\*
- Keegan McColley, Grade 9** – “Ramen Delight” [Ceramics]
- Kadin Bohrer, Grade 11** – “Drive-In” [Photography]

\*Artworks with an asterisk have been selected for an additional award.

Their hard work, creativity, and dedication to their craft have earned them this amazing recognition.

We invite everyone to celebrate their achievements at the Opening Reception and Awards Ceremony on Saturday,

March 8, from 1:00 – 3:00 p.m. at the Anton Art Center. Awards for grades 7-9 will be announced at 1:30 p.m., and awards for grades 10-12 will follow at 2:30 p.m.

This event is free and open to the public, with refreshments provided by the

Mount Clemens Kiwanis Club. Students, families, teachers, and administrators are encouraged to attend and support our young artists.

Can't make it to the event but want to see the work? Artwork will be exhibited from March 8-April 12.

**GALLERY HOURS**

- Monday:** Closed
- Tuesday:** 10:00 a.m. – 5:00 p.m.
- Wednesday:** 10:00 a.m. – 5:00 p.m.
- Thursday:** 10:00 a.m. – 5:00 p.m.
- Friday:** 10:00 a.m. – 5:00 p.m.
- Saturday:** 10:00 a.m. – 5:00 p.m.
- Sunday:** Closed

Let's come together to celebrate Fraser's incredible artistic talent and creativity. Congratulations again to Ella, Angelina, Dawson, Keegan, and Kadin – you make us proud!

## PLANNING AHEAD

- MARCH 3**  
Elementary First Day of Third Trimester
- MARCH 3**  
FHS Charity Week for Fraser VFW Begins
- MARCH 5**  
Elementary Report Cards Distributed
- MARCH 6**  
Elementary Half-Day Conferences  
8:35 a.m. – 12:00 p.m.  
Afternoon Conferences: 1:00 – 3:30 p.m.  
Evening Conferences: 4:30 – 7:30 p.m.
- MARCH 6**  
ECSE PM Only, No ECSE AM Classes
- MARCH 10**  
School Board Meeting  
Idea Lab, 7:00 p.m.
- MARCH 10**  
Salk Vocal Music Concert  
Fraser Performing Arts Center, 7:00 p.m.
- MARCH 11**
