

Week of January 11, 2021

Hello Disney Families,

The first thing I would like to do is to congratulate all of you wonderful families who have been following Mr. Sutherland's suggestion to approach the parking lot from the North at dismissal time. It has made a huge difference in the backup on Kelly Road. Thank you so very much!!

Wednesday will be an Early Release. Remember that lunches will be served and school will be dismissed at 1:30. Please be sure to let you child(ren) know what the plans are; will they be picked up, take the bus, walk home or go to SACC. Please remember that students must be preregistered in order to go to SACC.

Please remember that when you call the attendance line in order to report an absence, we would appreciate you giving a "reason" for the absence. We keep track of illnesses for the health dept. on a weekly basis and if your child has Strep or a stomach virus etc. we need to record it so that we can keep ALL of our students as healthy as possible.

See you tomorrow!
