

Week of April 8, 2019

Hello Disney Families,

Welcome back from Spring Break! We hope that you all enjoyed a relaxing week!

The first thing we would like to mention is a Latchkey issue. Please remember that, although it is no longer dark in the morning when you drop off your children, it is still **required** for you to walk them into the gym and sign them in. Please do not drop them off at the front door to walk in by themselves.

M-Step testing will begin this week for our 5<sup>th</sup> grade students. Kids, be sure to get plenty of rest and eat a good breakfast in order to make sure that you can do your very best on these important assessments.

On Tuesday, April 9<sup>th</sup> our PTO will be having their next restaurant fundraiser at Fuddruckers. Attached to this email is the flyer that students should have brought home on March 29<sup>th</sup>. It has all the information that you will need to enjoy a great meal and help our PTO as well.

You should have also received a flyer with information about purchasing Disney Spirit Wear. Just in case your child forgot to bring it home, a copy is attached to this email along with a photo of this year's design.

We will be sending home a form this week from Dentists R Us who will be here at Disney on Friday, May 3<sup>rd</sup> to clean, examine and give fluoride treatments to our students as well as provide X-rays and sealants when necessary. This service is provided even if you have no dental insurance but the form must be filled out and returned as soon as possible so that we are able to let them know how many students will be taking advantage of their service. A copy of the form is also attached to this week's email.

Please remember, if your child has not turned in a menu for April you will need to send a cold lunch to school with them tomorrow.

See you tomorrow.
