****** EXTRA DONATIONS******

Below are items the classroom can always use throughout the year. If you would like to pick out one and make a donation that would be wonderful. We know how expensive the start of the year can be for all of us, so please **DO NOT feel** like you must purchase these items. Many parents always ask what they can donate to the classroom.

Here are some suggestions:

- Page protectors for Take Home binders
- Ipad screen cleaners/wipes
- Disinfectant Wipes
- Plain Band aids (The character ones get used a lot faster!)
- Hand sanitizer

We are very flexible when it comes to supplies. Please do not travel all over to find something. Pick something similar and what is on sale and we will make it work! Please check with your child throughout the year to see if supplies need to be replaced. We are looking forward to a wonderful year with your children after hearing such great things from the second grade teachers.
