

HERE'S
THE
SCOOP!

Dear Disney Family,

After receiving a lot of feedback, this year the PTO has decided to make some changes to the way the donation baskets are created for the Ice Cream Social. As you know, the basket raffle is an anticipated highlight of the event. This year, each classroom will randomly choose a theme for their basket and then create a classroom basket based off that theme.

Our classroom has randomly chosen _____ as our theme and we need all our families to help make our basket amazing. That is why I am reaching out. I'm asking that each family provide either a \$10 cash donation or a \$10 item that ties to our theme. I have provided an envelope for your convenience. Anyone giving a donation will receive a free raffle ticket.

I am also looking for a couple of parents who would be interested in helping me design our basket. I will need someone to help with shopping and someone to help with presentation. If you would like to partner with me, please reach out via e-mail or Class DoJo so I can get in touch with you. Members of our PTO board will also be available for support, if needed.

It will take all of us to make our classroom basket one to be proud of, so please consider sending your donation as soon as possible so we can get to work. All proceeds from the raffle help fund the events that are provided to our students throughout the year, as well as classroom needs.

If you have a business who is willing to donate, please contact one of your PTO officers at TeamdisneyPTO@gmail.com for our tax ID information.

Thank you for your anticipated participation.
