Restorative Practices:

We are very excited to offer you the opportunity to attend a **three-hour training session in Restorative Practices**. The program offers a look at the Restorative Practices theory and its application. It is a very dynamic, interactive training that focuses on creating relationships and building practical skills that use a relational approach for parents and caregivers.

Safety Town

While their parents are learning helpful skills your School aged students will learn the in's and out from Fraser's Finest. They will experience Police-Fire-EMS! Learn about emergencies of all kinds including how to use 9-1-1, Stranger Danger, Fire Safety, and Medical Emergencies.

Pizza dinner, salad, pop and snacks will be served. Everything is Free. Parents must attend training for the students to participate in Safety Town. For more info, call Lisa Pettyes at 586-439-7542. Join us at RMS.
