

March 2025

Dear Twain Families,

Your child has expressed interest in participating in Twain's Cardboard Arcade Night! Here is the important information you will need to know:

- Your child will be responsible for building an arcade-style game out of cardboard. All of the building will take place at home. Family members are allowed to help out with the construction of the game. Other items, such as balls, basketball hoops, tickets, small toys, etc. are allowed.

Please view the "Caine's Arcade" video with your child by scanning the QR code below. It will give you an idea of what is expected for this project.

- Cardboard Arcade Night will be on **Wednesday, April 16th**. Your child will be expected to be here to set up his/her game in the designated area prior to the start time. The event begins at 6:30pm and will last for one hour. The doors will open at 6:00pm for those who need time to set up. If your game does not require a lot of set up time, please arrive by 6:20pm.
- Twain students, parents, siblings, and grandparents will all be invited to come to school that evening to play the games. This event will be a fundraiser to raise funds for materials for our **Media Center Makerspace** for the students at Twain. Fun Passes for playing the games will be available for purchase at the event.
- All interested participants will need to complete the attached informational form and return them to Mr. Lentine or Mr. Tonn by **Tuesday, April 1st**. Information about a detailed plan of the game idea will follow for those that are interested in participating.
