

Extreme Reading

Rewards:

Each week students will complete at home and in school reading tasks. On Friday, students will turn in slips and be entered into a classroom drawing for a book. In April, we will have a Stunt Masters BMX assembly! The class with the highest percentage of participants will receive VIP seating and lunch for the classroom. You won't want to miss it!

What to do at home:

Please check out the calendar of event for some fun suggestions to help you celebrate reading this month.

Suggested reading goal per day:

- YS-2 15 minutes
- 3-6 30 minutes

The Plan:

This year at Mark Twain we will have a weekly challenge. Each week your child will receive a slip with the daily calendar events. As you complete the daily reading task, parents will initial each task. On the weekly slip the bolded tasks will be marked off by the teacher. Students will turn in the slip on Friday to be entered in a drawing within their classroom. They will also receive a prize coupon from Jet's Pizza.
