Coat Homework Challenge

Dear Families,

Winter is approaching and as you can imagine, it takes quite a bit *of* time to help every child get ready to brave the cold.

We'd love your assistance in meeting this seasonal challenge head-on! Please spend at least 5 minutes every day helping your child learn to=

- Fix any inside-out sleeves themselves
- Put on their coat by themselves
- Zip coat up securely by themselves

Additionally, we highly recommend mittens over gloves if your child struggles with putting gloves on independently.

Please continue practicing until your child masters these skills.

Thank you for your cooperation!
